THE MEGA WASTE OF THE TABLIGHI IJTIMA

A Brother who had been at the recent Tablighi Ijtima in Lenasia states:

“I am unfortunately at the ijtimaa' site in lenasia. I had and have absolutely no inclination to come to the ijtimaa site but unfortunately due to work circumstances I had to come today. There is and always was mega wastage in the ijtimaa. It's just a matter of getting worst and worst.

I am here at zuhr time. Shockingly everyone is going to eat! No talk about Jamaat Namaaz! I don't know if Jamaat Namaaz did take place for the workers as I left and heard no Azaan. When someone asked about Jamaat Salaat he was told to eat now. “I don't know when is Jamaat Namaaz. Don't even wait just make your own small Jamaats!” How can we come right as an Ummah!

The tuck shop area is probably as large if not bigger than the bayaan structure. The *degh* cooking section has I think a hundred and sixty gas burners and I overheard some uncle saying they need more! Imagine the colossal amounts of money they spend here. It's really just to have a merry time whilst the ummat is really suffering.

And for them it's as if they are committed to a stipulated act of ibaadat as if they are immersed in a wonderful means of reward. It is clear that they are in confusion and deception.” *(End of the Brother's lament)*

Comment

The Deen is far, very far from their minds and hearts. They are trapped in their bid'ah, riya, takabbur and israaf. The Tabligh Jamaat has become a sign of Qiyaamah. Worldly and nafsaani objectives are pursued by means of A'maal of the Deen. The Maqsood (Objective) is not *Ridha-e-Ilaahi (Pleasure of Allah)*. Hence, the Tabligh Jamaat has the satanic ability of comfortably absorbing baatil and feeling snug with the people of baatil such as the satanic NNB Clique, faasiq Tariq Jameel, etc.

As long as any man of baatil can draw crowds, they are comfortable and believe that success us to be measured by crowds. The janaazah of Haqq has left the Tabligh Jamaat.
