THE MORAL ROT OF THE U.K. COMMUNITY

By A UK Brother

CAROUSEL OF LIBERAL MUFTIS, MAULVIS, QURRA & ROYALTY TOURING UK - SO UPON WHICH FATAL WOUND SHOULD WE CRY?

Allah Ta'ala says in the Glorious Qur'an:

"As for the Kuffar (disbelievers); they are guardians of one another; and unless you (Believers) act likewise; there will be great oppression (fitna) and corruption (fasad)." (8:73)

Sayyidunna 'Abdullah bin Umar radhiyallahu anhu narrated:

"Two men came from the East and addressed the people who were amazed at their eloquent speech. Upon this Rasoolullah sallallahu alayhi wasallam commented:

"Some eloquent speech has an effect like (black) magic." (Sahih Bukhari)

Rasoolullah sallallahu alayhi wasallam commented:

"Verily, the worst of evils is the evil of the Ulama, and the best of goodness is the goodness of the Ulama." (Sunan Darumi)

Former US President Jimmy Carter said,

"We do not respect (Muslim Leaders); because (although) they fill the world with a lot of commotion about Palestine; yet none of them discuss the Palestinian cause."

So, for which wound should our tears flow? And are there any tears left in our hearts?

Should we cry for Gaza? Syria? Yemen? Sudan? Arakan? Kashmir? Iraq? Kurdistan? Xinjiang Uygur?

Recently, the UK has suffered the indignation of visits by Mufti Taque Uthmaani, Maulvi Tariq Jameel, Maulvi Sulaiman Moola, Maulvi Abraham Bham, Maulvi Fadhlur Rahman Azmi and a group of mercenary Qurra who travelled, to a so-called rumbustious Qira'at Competition.

All were hosted by similar people and venues. They all spouted the same message; as if singing from the same hymn sheet scripted by their Yahoodi/Nasara handlers.

So why single out Mufti Taque Uthmaani?

Firstly, he participated in a live televised 'Kitaab/Book Launch' from London Central Masjid, accompanied by some shady, lewd characters.

Secondly, his reference to 'Ijtihadi Issues' especially with reference to the Genocide in Gaza is a red-herring; quite cheap and unbecoming of a Mufti of his origin; designed to maintain and capture public sympathy towards liberalism whilst simultaneously smothering any valid criticism raised by Ulama Haqq.

To soothe the collective conscience, these stunts are being enacted in UK Masajid, pretty much like the Haraam Demonstrations and Protest Marches which take place on a weekly basis.

This is because the majority of UK Zindeeqs no longer engage in Salaah, Du'a, Dhikr, Recitation of Glorious Qur'an or any form of abstention from sin or actual acts of worship.

Secondly, the entire credibility of the Deobandi-Maslak - viewed hitherto as ultra-orthodox, is being dragged into disrepute by such liberal scholars and deputised shuyookh.

Recently, another infirm Shaykh from Thana Bawan, India, was cartwheeled around many of these same UK Masajid and drip-fed to glorify these very same personalities.

Although the noises may have sounded right; because he was never appraised or shown the true face of UK Muslims and the sheer criminality and fraudulent antics of his hosts; statements of piety were mutilated to glorify the hosts. Misdemeanours are trivialised, assumed forgiven and overlooked. A different set of moral standards apply to these so-called celebs; who in reality are a fair reflection of the moral rot within the UK Muslim Community.

The UK Muslim public is so dopey and blitheringly idiotic; as long as they are entertained in name of Deen and fed Haraam HMC Certified meals; they are pacified. Recent 'race riots' and Covid shenanigans quickly forgotten.

Before Maulvi Abraham Bham flew back to SA to greet Maulvi Tariq Jameel this week, he was being serenaded in UK; despite Maulvis here knowing full well about his interfaith antics under a cross in a church; his attendance at Mandela's funeral; running to Kuffar Court as a 'Friend' to keep South African Masjid closed during the Covid Scamdemic.

If he was allowed to lead any Fardh Salaah at any of these UK venues, all Musallees who prayed behind him need to repeat their Salaah and need to ask those who organised, or who are in management, why such a chameleon was allowed onto the Musalla and Mimber of Rasoolullah sallallahu alayhi wasallam in UK?

It gets worse.

There are pictures of Maulvi Abraham Bham addressing Students in a so-called Muslim Boys School in UK few days ago, wherein he was presented as a role model to be emulated...again at a venue where Haraam Videography is used on a daily basis to promote such liberal scholars.

Parents of these students need to wake up and ask the school management why such scoundrels are allowed to pollute young minds in their care?

What is happening in UK Deeni Institutions is a fair reflection of UK Government Policies in the Muslim World - only the actors and stages are different.

Few days ago, honorary knighthoods were given to King Hamad bin Isa Al Khalifa of Bahrain, who visited the UK and also to King Abdullah of Jordan.

Both these colonies and the UK have strong diplomatic, political and military relations; in essence, they are still Yahoodi/Nasara Protectorates.

Both Puppet Kings are marking silver jubilees this year and were graced with a 'spectacular evening' at Buckingham Palace which ended with pipers marching around the dinner table.

Now, let's study closely the drama and theatrics played out in UK Masajid when these liberal Maulvis/Shuyookh/Qurra arrive to promote the Yahoodi/Nasara interests. Notice the pattern. Pipers marching and dinner. Bootlickers are glorified by UK Scholars with an ever-faithful moronic public sitting in awe and reverence...over dinner.

Judges and participants from Bahrain and Jordan were also present, coincidence?

Bahrain hosts the Yahood U.S. Navy's Fifth Fleet and also Yahood US Air Force Air Expeditionary Wing. Some 20,000 Kuffar military personnel are reported to be stationed in Bahrain.

This is why judges and participants from Bahrain and Jordan are summoned – it brings in the Yahoodi boodle.

Instead of claiming to be Habib-ul-Qur'an, the organisers should be renamed 'Aduwwul Qur'an.'

Not surprisingly it gets much worse.

Although previously highlighted, what has also come to light in the Court & Appeal cases fought by each faction of Tableegh Jamaat over the Abbey Mills Site in London, UK, is the sheer depth of depravity and treachery even when it concerns Gaza.

Raiwind-aligned London Markaz appointed the same firm of lawyers who represented British Yahoodi Hostages...and have staunchly supported Israel over many decades, even in software and Hi-Tech cases. One may connect the dots and figure out the cause of self-exploding mobile gadgets.

Recently in February 2024, after receiving approximately £1 million in fees from Dewsbury Markaz (Nizamuddeen) in the first Court Case, this very same firm of lawyers joined families of UK Yahoodi and took part, 'in high level delegations in London, meeting with Prime Minister Rishi Sunak, Dr Mohammed bin Abdulaziz Al-Khulaifi, the Minister of State for Qatar in the Foreign Ministry, and His Excellency Charles Hay MVO, Director Gaza Hostages at the Foreign, Commonwealth and Development Office.'

So Muslim funds help to represent the Yahood but not the suffering Muslims of Palestine.

Jordan, Egypt, Qatar, Bahrain, Dubai, UAE, all these backyard-tenants of Najdi Arabia are bootlickers of the US Yahood.

What these recent Court Cases and Tours of Scholars in the UK shows, is that many, if not all of our Celebrity Maulvis, Muftis, Shuyookh and Elders of Tableegh Jamaat are also bootlickers and astray.

Allah Ta'ala mentions them in the Glorious Qur'an:

"The likeness of those who were entrusted with the Taurah, but who subsequently failed in those (obligations, did not carry it), is as the likeness of a donkey who carries huge burdens of books. How bad is the example (or the likeness) of people who deny the Ayat (Verses) of Allah. And Allah guides not the people who are Zalimoon (wrongdoers)."
(Surah Al-Jumu'ah, 62:5)

Rasoolullah sallallahu alayhi wasallam once commented:

"The guards of Jahannam will apprehend the wicked Ulama even before apprehending the non-believers. When they ask: 'How is it that we are being punished even before the non-believer? They will be told thus, 'The learned and the ignorant cannot be treated alike (i.e. you committed all these misdeeds, inspite of the fact that you had knowledge of Deen.'"

Sayyidunna 'Umar radhiyallahu anhu warned:

"The person I fear most for in this Ummah is the hypocritical Aalim." (Musnad Ahmad)

He described a hypocritical Aalim as:

"One who acts like the ignorant people but talks like the Ulama." (Musnad Ahmad)

Sayyidunna Ziyaad Bin Hudair radhiyallahu anhu reports that Sayyidunna Umar radhiyallahu anhu asked him:

"Are you aware of what is the cause for the demolition of Islam?"

When he replied in the negative, Sayyidunna 'Umar radhiyallahu anhu explained:

"The cause for Islam's demolition is the slip and error of an Alim; the dispute of a Munaafiq utilising the Glorious Qur'an and verdicts of those Imam's who are astray."
(Sunan Al Darumi)

Very recent events in the UK are proof of the truthfulness and validity of these prophecies.
