THE PATH OF ZINA PREPARED BY MOLVIS

BY A BROTHER FROM UK

“I would like to share a message from an Alim from the UK. Please could *The Majlis* share it for the guidance of the UK Muslims on the mixed events by a UK senior Alim where there is not even a curtain or wall, it is totally mixed. We are inheriting the Arab style as it definitely was never present in the Deobandi style of events in the past.

It is sad to see that even our Shaikul Hadiths now sit in mixed gatherings. Recently Hazrat Molana Abdul Raheem Limbada was recorded in a large conference room where men and women were seated around the table and he was talking about Hadith.

This is the same Shaikh who is Shaikul Hadith at Darul Uloom Bury which is one of the major Darul Ulooms in UK. It seems like his own followers are now exposing him. Moulana Abdul Raheem is an Alim in the UK who is dear to men all around the UK. He occupies a lofty pedestal in the UK. He is knowledgeable, knows the *fitnahs*. Therefore many will be shocked, but if we look back we do find Moulana attending mixed events in the past openly, maybe in a different setting. People will find it hard to digest this, but if Muslims are not warned then these things will just continue, more *fitnahs* will take place.

I am aware that even young students or those who did bay'ah to Moulana Abdul Raheem, followed in his footsteps and held mixed events, despite being in their prime youth. All these *fitnahs* that have been lurking in the background for many years are now coming out fully in the open. These *fitnahs* are becoming worse by the day. It's as simple as that, but the fake Muftis will present their mixed-up arguments instead of using their *Aql*.

I wish people understood the extent of zina and *fitnah* that emerge from these events without becoming victims of it first.”

(End of the Brother's letter)

COMMENT

Rasulullah (Sallallahu alayhi wasallam) said that in the human body there is an organ which if healthy, will ensure that the entire body is healthy, and if it is diseased, then the entire body will be diseased. That organ is the Heart.

The *heart* of the Muslim community is its Ulama. Today this *heart* has putrified. It is diseased and rotten to the core. That is why the Muslim Ummah is so rotten with fitnah of every imaginable kind.

The *Aql* of the Ulama is diseased and fossilized beyond cure. Every conceivable obscenity, immorality, shaitaaniyat and nafsaniyat is presented by the Ulama of this era under Deeni guise in their insane pursuit of the dunya and its goals. Now ponder the lewdness of this 'shaikhul hadith' who participates and halaalizes zina gatherings without any compunction. And, he is not alone. Almost all other scoundrel molvis and scrap muftis of this era are in cahoots with Iblees in the promotion of fisq, fujoor and kufr.

The promotion of fitnah in the form of immorality leading to actual zina is not the speciality of the UK shaikhul hadith. All over the world the Ulama are sinking deeper and deeper into the quagmire of fisq and fujoor which they have created in their mad pursuit of the dunya. *Hubb-e-Jah* and *Hubbe Maal* have ruined the Ulama and together with them have they ruined the Ummah. Instead of being the Stars of Hidaayat which Islam envisages for them, the Ulama are today pure **Zulmat** (Darkness). They are spiritually corrupt and blind and they are leading the Ummah into destruction.

The supposedly 'senior' Ulama, Shaikhs and Muftis have become promoters of fisq, fujoor and even kufr. They are at the helm of all corruption – moral and spiritual. Intermingling of the sexes, zina gathering, interfaith kufr and all kinds of fisq and fujoor are being licensed and marketed as 'islamic' products by these ulama agents of Iblees. They are the worst scoundrels misleading the ignorant masses. Precisely for this reason did Rasulullah (Sallallahu alayhi wasallam) express his fear:

"I fear for my Ummah the aimmah mudhilleen."

They are these corrupt molvis, muftis and sheikhs whose ugly snouts adorn the zina internet platforms with their clown-like performances presented under deeni hues. There appears no hope for the reformation of this fallen, disgraced, corrupt, rotten Ummah. Imaam Mahdi (Alayhis salaam) is now the only hope remaining.
