# **THE VILLANOUS GHULU' OF THE TABLIGH JAMAAT ISRAAF, RIYA, TAKABBUR, HATRED AND GOONDAGERRY (THUGGERY) ARE THE CONSEQUENCES OF THE GHULU'**

The Haraam shenanigans of the Tabligh Jamaat in U.K. highlight the appallingly putrid and degenerate state of the Tablighis. The highlights of their shenanigans stated in an [article published yesterday by The Majlis](#) are:

(1) In just one year the two enemy factions flushed a million pounds (about R24 million) down the legal fees sewerage drain. Each faction is claiming to be the owner of the markaz site, hence they turned to the kuffaar court for resolution. Thus, in terms of the Qur'aan Majeed, they are confirmed *'brothers of the shayaaten'*.

(2) The court wrangle is still in progress. In all probability another million pounds will have to be raked up to pay the haraam fees for obtaining the verdict of the law of Taaghoot. Instead of the Shariah, these miserable U.K. tablighis have opted for the law of Iblees. Shamelessness and mutual hatred have made them impervious of the disgrace and mockery in which they are floundering like drunk thugs. They dwell in massive deception and confusion. They totally ignore the command of Allah Ta'ala:

*"Then We have established you on a Shariah regarding (all your) affairs. Therefore follow it (the Shariah), and do not follow the desires of those who do not know (the juhala and kuffaar)."*

But the law of Taaghoot has been adopted whilst the Law of Allah Ta'ala has been scuttled. They should meditate on their hearts to ascertain if they still have Imaan.

(3) The Tablighi juhala who masquerade as 'daa-ees' have even called the kuffaar police to debar their enemy Tablighis from entry to the Musaaajid.

(4) They squandered, in obedience to shaitaan, millions to purchase a chemically contaminated site for a show-piece markaz which becomes a haunt for Ibleesi activities plastered with some 'deeni' veneer.

(5) They have wasted millions of rands on town planning applications and fees for architects on grand designs of show for their markaz of israaf, riya, takabbur and ghulu'.

The above are some of the very recent haraam shenanigans of the *Ghulu' Jamaat*. *Ghulu'* permeates every activity, worldly and deeni, of the Tablighi Jamaat. Even a jaahil can understand the *shaitaaniyat* of these *Goondas (Thugs)* who masquerade as propagators of the Deen. Their conduct is absolutely scandalous. They are conspicuous Signs of Qiyaamah. They are among the worst villains who utilize 'deeni' cover to camouflage the filth of their *nafsaaniyat*.

Both factions – the Nizaamuddinis and the Raiwandis – are drunk with the disease called *Takhabbutush Shaitaan*. This touch of Iblees has deranged their brains and corrupted their Imaan. They sit in the Musaaajid like buzrugs whilst they have the hearts of wolves. They monotonously sing the song of 'Yaqeen' without having the haziest notion of the meaning of Yaqeen.

Their ijtimas – of both factions – are devoid of *Ikhlaas and Lillaahiyat*. Their primary motive now is to outclass the rival faction. An old disease of the Tablighis which existed in them even prior to the shaitaani split, is that they measure their success in the crowds, the number of busloads and the number of groups they send out on camping missions.

Now after the Camperdown stunt, the Raiwandis must be planning their stunt to outclass their enemies of the other faction. Among the signs of Qiyaamah is the pursuit after the dunya under deeni guise. With the *amal* of the Aakhirah, viz, Tabligh, their objective is the dunya. *Ghulu'* has blinded them. They come fully within the scope Qur'aanic Aayat:

***“The (physical) eyes are not blind, but the hearts within the breasts are blind.”***
