THE YAHUDI INTERFAITH PLOT AGAINST ISLAM

THE SAUDI SHIAH SHEIKH, THE MJC, THE JAAHIL CAPE TOWN ULAMA BOARD ARE ALL IN CAHOOTS WITH THE YAHUDI ANTI-ISLAM CONSPIRATORS

The conspiracy to eliminate Islam originated in the very era of Rasulullah (Sallallahu alayhi wasallam), and it has been perpetrated down the long corridor of Islam's more than 14 century history. But all these satanic plotters have failed to extinguish the *Noor* of Islam, for Allah Azza Wa Jal declares in His Qur'aan Majeed:

“Verily, We have revealed the THIKR (the Qur'aan and this Deen of Islam) and verily We are its Protectors.”

A group of shaitaani anti-Islam conspirators had their kufr interfaith meeting in Cape Town on 6th August. These bootlickers of the Yahudi and Shiah enemies of Islam, pursuing their own worldly, nafsaani and monetary goals and satanic objectives are promoting the elimination of Islam in the guise of “tolerance, engagement and understanding”. These clichés and monotonously uttered refrains are the shaitaan's chimera to dupe ignorant and modernist Muslims – to trick them and to entangle them in the web of Iblees.

The jaahil Shiah sheikh's emphasis on “*peaceful coexistence despite religious differences*” is pure *shaitaaniyat* designed to entrap morons into the tentacles of

Iblees. Not a single iota of Islam's Deen of Tauheed may be compromised in the name of shaitaani 'peaceful coexistence' and kufr 'tolerance'.

The morons of the Cape Town so-called 'ulama' board – a conglomerate of juhhaal of the worse order – hailed the satanic event as a 'significant step towards interfaith dialogue'. These morons further exhibiting their abject jahl and kufr stupidly and cunningly promoting kufr averred that despite "the irreconcilable differences between Sunni and Shia beliefs" the meeting of these juhhaal was "a demonstration of maturity". Indeed it was a demonstration of blatant kufr, nifaaq and treachery against Allah Ta'ala Who declares in the Qur'aan Majeed:

"Never ever shall any religion other than Islam be accepted."

"Verily, by Allah the only Deen is Islam."

The morons glaringly demonstrated their moronity by acknowledging the 'irreconcilable differences', yet they deem it correct and valid to lie in bed with the enemies of Allah Ta'ala, the enemies of Rasulullah (Sallallahu alayhi wasallam), the enemies of Islam and the enemies of this Ummah which is being targeted for extinction by the Yahud and Nasaara.

Muslims should not debase their intelligence – they should not eliminate their Imaan by falling into the pernicious kufr trap of Iblees being promoted by the MJC and the Shiahs whom these miserable characters of the MJC are bootlicking. In all probability the monetary carrot is the determinant.

We are in the era in close proximity to Qiyaamah. This is the era for the ascendancy of the League of Shaitaan. His agents are prowling all over the globe. They have proliferated the Ummah with their presence and their kufr. Muslims must be on guard. These crooks and robbers, these worshippers of Iblees, are lying in ambush to loot the Imaan of the Ummah.

Interfaith dialogue is KUFRA. Participation in the interfaith exercises of Iblees deracinates Imaan. May Allah Ta'ala destroy all these agents of Iblees.
