COMMENT BY QALAMUL HAQ

UUCSA WELCOMES AND PROMOTES ANOTHER DEVIANT
UUCSA has once again exposed its sinister agenda by importing someone who is their
role model in the field of modernism and "moderate" Islam. *(That is, KUFR – The
Majlis)*

UUCSA and JUSA have become so synonymous with modernism that before even researching the individual the fact that he must be involved in the liberal concepts (*kufr concepts*), they promote was obvious.

Ali Qardaghi is known for his interfaith involvement. He promotes Women engaging in politics and even waters down jihad to fit the modern world.

If that is not enough, he is also a signatory to the Amman message which accepts Shiasm as a valid mazhab and states that drawing pictures of Nabi Sallalaahualaihi wasallam is just a "minor sin" (*That is because in his satanic concept of 'godhood', Allah Ta'ala – Nauthubillah! – is minor and small – The Majlis*)

He also is a golden boy of the UN who have hosted him to lecture on un"islamic" finance. It cannot be that UUCSA is oblivious of credentials and views of theeswe deviates whom they are hosting and promoting.” (*End of Qalamul Haq's comment*)

Bogus uucsa and the NNB Clique of Juhala and their patron interfaither are birds of a feather. The whole gamut of shayaareen is *Hasabu Jahannaum (Fuel for Jahannam)*. Their ideas and theories of liberalism and modernism, not only border on kufr, but are in actual fact KUFR which expels these vile specimens of infosoria from the fold of Islam.

The agenda of these miserable Zindeeq entities is extremely sinister, and they have kuffaar handlers as paymasters. That explains why this shaitaani interfaither, Qaradhagi is the 'golden boy and slave of the UN'. The plot of the kuffaar is to deracinate Islam. For achieving their pernicious satanic objective, the western kuffaar have employed these interfaithers and the likes of Bogus uucsa, NNB Clique, MJC, Menk, Moolla and many other vermin of this kind of infosoria.

In cahoots with their Yahood and Nasaara paymasters they peddle the plot of the kuffaar via the interfaith and other similar shaitaani channels. These agents of Iblees have no affinity with Islam. Their miserable and flagrant acts of haraam and kufr glaringly expose the evil and kufr lurking within them.

Today, the dunya is awash with enemies of Islam prowling all over the show, lying in ambush, awaiting opportunity to extinguish the Deen. But, of course they will fail miserably, for Allah Azza Wa Jal has given the assurance of protecting Islam. The Qur'aan Majeed says in this regard:

“Verily, We have revealed the Thikr, and we shall be its Protectors.”

Regardless of the conspiracies spun and fabricated by satanic the conglomerate of Shaitaan's agents, they will not succeed. Allah Ta'ala says:

“They plot, and Allah too plots, and Allah is the best of plotters.”

The dalliance with the Qaradaghi character speaks volumes for the kufr intentions and agenda of the shayaateen of UUCSA and the NNB Clique of Juhhaal.
