‘ULAMA’ PROMOTING ZINA

A BROTHER’S NASEEHAT FOR THE

‘ULAMA’

‘WOLVES IN HUMAN BODIES’ (Hadith)

“HUMAN SHAYAATEEN” (Qur’aan)

A Concerned Brother offering advice to molvies, states:

“In South Africa, and presumably all over the world, people suffer from what is colloquially termed as “FOMO” (Fear of missing out). Hence, people need to be at common hot spots, busy places especially during December - January, where every other person will be, due to the fear of missing out. ***(These ‘hotspots’ are the venues of Shaitaan. People bereft of Imaan are naturally attracted to the venues of Iblees. – The Majlis)***

In the history of the world, very few sports were **PLAYED** together by both men and women. In recent times, sport has become undoubtedly the biggest form of entertainment. ***(But, Rasulullah –Sallallahu alayhi wasallam) – said: “Every sport of the Mu’min is HARAAM.’ With the march of times Zina is incremental. It will attain its zenith when people will fornicate in the streets in public view without anyone batting an eye-lid. – The Majlis)***

Events such as the Football World Cup final are recorded as the most televised events.

Thus, football stars have become the most famous people in the entire world. They are the celebrities now of the world. ***(There is no greater, no more famous celebrity than Iblees. All of these ‘celebrities’, which include Menk, Reverend Bham, Moola and the like are of the illegitimate progeny of Iblees. To be a ‘celebrity’ the vital prerequisite is to first become a Satanist. When the rubbish has passed the test of satanism, Iblees then transforms him/her into a ‘celebrity’. He has his special forms and forums for his graduation ceremonies. – The Majlis)***

Of recent- is the attack on Imaan -- which is now the only sport which both men and women can jointly play TOGETHER, “Pedal Tennis”. ***(Zina halaalized by rubbish molvis and sheikhs whose inordinate carnal lusts have deracinated their Imaan. – The Majlis)***

Married couples are playing against each other, and often, swop teams. i.e, a man will play on the same team as his friend’s wife and vice versa. This has even lead to zina where couples are “swinging” between each other. ***(This development is simply a necessary prelude for zina on the streets which has been***

predicted by our Nabi – Sallallahu alayhi wasallam. Those who profess to be Muslims, but indulge in this zina-satanism are not Muslims. They dwell in delusion by advertising themselves as Muslims. They are worse than the Munaafiqeen who flourished during the age of Nubuwwat. They are absolute sub-sewer drain rats. – The Majlis)

I am writing this to the Majlis, not because of looking to complain of the masses. Unfortunately- those that are playing will not pay heed to the *targheeb* given against it.

(Yes, they will not pay heed because they are bereft of Imaan. It is not possible for even a faasiq-faajir who has some semblance of Imaan, not to pay heed to Naseehat. Only those who have extinguished their Imaan are capable of the degree of spiritual induracy which fobs of Naseehat of the Qur'aan and Hadith. – The Majlis)

It is invariably met with lame excuses such as "it's not haram if done correctly" or "im not playing with women" or "i do it for fitness" etc. ***(This is the Satanist lesson imparted to the moron masses by the munaafiq molvis and sheikhs. They will find justification for every evil, every obscenity and every act of kufr. – The Majlis)***

Instead- this is to advise the Ulama to stop playing themselves. ***(You are dwelling in self-deception if you believe that these 'ulama' agents of Iblees will pay any heed to Naseehat. They are drowned in greater moral degradation and filth than the ignorant laymen who cite them as 'daleel'. They are the kind of 'ulama' who will have to circumambulate their own intestines in Jahannam. They are the likes who=m the Qur'aan describes as 'Hasabu Jahannaum' –fuel for Jahannam.- The Majlis)***

Many ulama are playing pedal, but state that there satr is covered, and they are not neglecting Salah etc in the masjid. ***(They excel is the ta'leemaat of Iblees. Shaitaan urinates into their brains such stupid arguments.-The Majlis)***

Whilst this may be true, they do not have the foresight to realize that the awaam look at these molvis and then use them as daleel for their behavior (albeit different to the molvis.e they are playing with women, not covering satr, during salah times etc).

(Foresight – Baseerat – is the capital of the Men of Allah – of People of Taqwa. Foresight should not be expected from Rubbish, Jaahil, Fussaaq Fujjaar molvis who in all likelihood are munaafiqeen. They are the type for whom Rasulullah – Sallallahu alayhi wasallam – expressed greater fear than for even Dajjaal. – The Majlis)

Sincere request for duaas. All of the movement in the Middle East, coupled with all the brazen haraam taking place, and the Ulama being involved in many of such, makes me wonder how close are we to the era of Imaam Mahdi (Alayhis salaam). ***(Imaam Mahdi's era seems to be looming in front of us. His appearance does not seem to be in the too distant future. – The Majlis)***

And the worrying part is whether mine and my families Imaan will be strong enough to be safe from the fitnah of dajjal. ***(Always guide your close ones. Give naseehat constantly. Sever relationships even with close family if they participate in fisq, fujoor and kufr. Every Friday recite Surah Kahaf for safety from the clutches of Dajjaal. – The Majlis)***

Special request for duaas for me and family. That we die on Imaan in a state that Allah ta'ala is most happy with us. ***May Allah Ta'ala keep our Imaan intact until the very last breath of life. No one knows what the morrow holds. Imaan is suspended between fear and hope. –The Majlis)***
