## **WOMEN CUTTING HAIR AND A JAAHILAH'S MORONIC 'FATWA'**

A so-called 'aalimah' who is in fact a JAAHILAH with the tendencies of lesbians and prostitutes claims that it is permissible for women to cut their hair. The stupid woman says that since she is not aware of any Qur'aanic and Hadith evidence prohibiting women from cutting their hair, it is permissible for them to cut their hair.

Her absolutely preposterous and ridiculous basis for her averment of permissibility is her ignorance. What this prostitute says is that her ignorance of any Qur'aan and Hadith evidence is her 'daleel' for her claim of permissibility. Just because this miserable moron woman is ignorant and stupid, she expects people to believe that what has been known to the Ummah for more than fourteen centuries is incorrect.

It is an insult to intelligence to even respond to her absolutely stupid arguments.

Only women who have the inclinations and attributes of lesbians and prostitutes *may* accept what this prostitute Jaahilah has excreted. Women of Islam – such women whose Imaan is intact cannot be ensnared by the haraam rubbish which this prostitute jaahilah has excreted.

The issue of hair – cutting being prohibited for women is explained in great detail in our book [Tresses of Jannat](#) which is available on our website.
