## **WOMEN IN THE MUSAAJID HAVE CREATED A ZINA ENVIRONMENT**

The Sahaabah (Radhiyallahu anhum) and the illustrious Fuqaha of Islam knew what they were doing when they prohibited women from the Musaaqid. The logical consequence of female participation in any public activity is ZINA. And Rasulullah (Sallallahu alayhi wasallam) had issued a licence to the Sahaabah to expand the Sunnah to issues which were not in vogue during the time of our Nabi (Sallallahu alayhi wasallam). Thus he said:

*“Honour my Sahaabah, for verily they are your best people, Then those after them (the Taabieen), then those after them (Tab-e-Taabieen). Thereafter will come KIZB (the falsehood and lies of the fraud and miscreant muftis).”*

A Brother from Canada describing the ZINA scenes and environment in the Musaaqid in Canada, states:

“Today they have a "carnival" at the masjid. They have turned the masjid parking lot into a kaafir style playground. The whole place is crowded by mostly women.

They frequently have baalighah girls walking around in the sehen of the masjid because they are carrying out a "summer camp" program.

Women are often doing wedding photo shoots on the masjid grounds.

They have kuffaar wedding style nikahs and I had to stop some people from videoing me inside the masjid proper the other day.

This place is full of fitna and darkness. I only leave home when it's necessary, even then, just to fulfil the jama' salah, a deluge of *bay haya-ee* (shamelessness) on the masjid grounds has to be traversed. May Allah Ta'ala protect us." (*End of the Brother's letter*)

Such scenes of zina prevail in all the Musaaajid in America, Canada and Europe, and this same shaitaani zina trend is overtaking Musaaajid even here in South Africa.

Women attending the Musaaajid has become a major (*Kabeerah*) sin in this era of immorality, lewdness, immorality, vice and absolute shamelessness. The sanctity of the Musaaajid are being defiled with zina contamination. While the Shariah prohibits even conversation in the Musjid, today zina in the Musaaajid have become prevalent.

Iblees is making the best use of the Trap of Women granted to him by Allah Azza Wa Jal. On the occasion of the expulsion of Iblees from the heavens, he supplicated to Allah Ta'ala for a number of issues. One of his supplications was for TRAPS to enable him to ply his profession of ensnaring the progeny of Hadhrat Adam (Alayhis salaam). In His Wisdom, Allah Ta'ala, granting the supplication said: "*Your TRAPS will be women.*"

Shaitaan is today extracting maximum advantage from this TRAP to ruin the Ummah. We are in the age about which Rasulullah (Sallallahu alayhi wasallam) said:

***"Then there will come a time when a person holding on the Deen will be like one holding a burning coal."***
