AN IGNOMINIOUS KICK-OUT FOR A MURTAD BOOTLICKER *THE CLOWN, MR. TRUMP KICKS OUT MR. ABRAHAM RASOL*

Mr. Abraham Rasol, South Africa's Ambassador, has been declared *persona non grata* by Mr. Trump and ignominiously kicked out from the US. This is indeed an excellent mini-retribution for the vilest kufr uttered by this Murtad. Some years ago, Abraham Rasol had disgorged, among his many statements of kufr:

"You see, Islam doesn't have a problem with depicting the Prophet as mad, bloodthirsty and womanising. It doesn't have a problem with depicting the Prophet humorously."

This Murtad had elevated Mr. Tutu and other kuffaar politicians over Muslims and believed that they are Jannatis despite their mountains of kufr. His ideas and utterances are of the vilest kind of kufr which is 100% in denial of the Islamic concept of Imaan as stated in the Qur'aan Hadith and elaborated by the illustrious Authorities of the Shariah. He has now, in a small measure, been humiliated by a Clown President of the US who has booted him out of the country with ignominy and disgrace. He still has to await the Divine Retribution from the Heavens. Allah Ta'ala grants respite. He does not forget. He extracts vengeance in a variety of ways.

While this is the view of vile kufr expressed by the chap who has been kicked out very ignominiously from the US by his boss, the Clown, Mr. Trump, the Qur'aan vehemently refuting his kufr idea states:

*"Say (O Muhammad!): 'Do you joke (mock and jeer)
Allah, His Aayaat and His Rasool?'"*

*Do not put forth excuses. Verily you have
committed Kufr after having believed....”*
(At-Taubah, 65, 66)

Islam has a serious problem with those who mock and joke about the Deen and who disparage the honour of Rasulallah (Sallallahu alayhi wasallam). In Darul Islam the consequence of such mocking and joking is execution. At the time when he had excreted his load of kufr, the Ulama had adequately responded and refuted his villainous kufr. While the Ulama had declared this fellow Islamically *persona non grata* with their fatwa of excommunication a couple of years ago, the Clown, Mr.Trump has come his senses only now. He has now understood that this chap is truly *persona non grata*, hence he was constrained by the reality of the fellow’s ‘kufr’ to ignominiously give him the boot on his hind. Thus, Trump’s representative, US Secretary of State, Marco Rubio said that Abraham Rasol “*was no longer welcome in our great country*”.

Justifiably, correctly but mildly humiliating the fellow, Rubio wrote:

*“Ebrahim Rasool is a race-baiting politician who hates America... We have nothing to discuss with him and he is considered **PERSON NON GRATA.**”*

From the Islamic perspective he is anti-Islam, anti-Rasulallah (Sallallahu alayhi wasallam), anti Shariah and anti Sunnah. Now the Clown of the “great country” has found him guilty of being anti-America, yet the miscreant is desirous of wanting to be the ambassador in that “greatest country” which excels in the genocide of Muslims. The Athaab of Allah Ta’ala comes at the decreed moment. Flagitious Culprits are granted respite which they misinterpret. But then suddenly the Divine Whip strikes and truncates and breaks them. There is no escape in this dunya for the *murtaddeen* and *munaafiqeen* nor in the Aakhirah. The Qur’aan states about these villains:

“They are losers in the dunya and in the Aakhirah.”

Their worldly prosperity is a temporary phase which deceives them. The Qur’aan says about these evil deniers and mockers of the Deen:

*“Those who deny Our Aayaat, We grant them respite
in a manner which they do not perceive (because
they are basically morons).”*
(Al-A’raaf, Aauat 182)

They are ultimately hemmed in humiliated and effaced. Never did Mr.Abraham Rasol dream of being disgraced and so ignominiously kicked out by his boss, the Clown Mr.Trump. Making a joke and mockery of Rasulallah (Sallallahu alayhi wasallam) and the Deen is an unforgivable crime in Islam. It is this uncompromising stance of Islam which this misguided fellow had abortively laboured to attribute to extremism and fundamentalism thereby echoing his kuffaar western handlers whom he bootlicks and

who had cast and welded his brains in the narrow straitjacket of kufr and atheism with which they indoctrinated in universities. Thus, they hopelessly and abhorrently fail to view the world beyond their noses. Regarding those whose brains suffer from the malady of indurated kufr, the Qur'aan Majeed states:

“Verily, We have created numerous jinns and mankind for Jahannam. They have hearts (brains) with which they cannot understand, and they have eyes with which they cannot see, and they have ears with which they cannot hear. Indeed, they are like animals. In fact, they are more astray (and deviated than animals). Indeed, they are ghaafiloon.”
(Al-A'raaf, Aayat 179)

The induracy of their kufr has extinguished all the natural abilities of their spiritual senses which are inherent in all human beings at the time of birth. Why has Allah Ta'ala created them to be *Hasabu Jahannam (Fuel for Hell-Fire)*? His mysteries are unfathomable by our created minds with their extremely limited scope of intellectual comprehension.

Trifling with the Deen with excretion of kufr twaddle has grievous repercussions for those who masquerade as 'Muslims' whilst their hearts are bereft of Imaan. They are like the munaafiqeen who said when commanded to believe:

“... We believe in Allah and the Last Day whilst in reality they are not Mu'mineen. They seek to deceive Allah and the Believers (with their claim of being Muslims), But they deceive none but themselves whilst they are unable to understand (because they are morons with welded brains).” Thus, does Allah increase for them their disease (of nifaaq/kufr). And for them there is a Painful Chastisement because of all the lies they used to disgorge.”
(Al-Baqarah, 8,9,10)

Abraham Rasol and his likes are trapped between opposites, that is: – having been born in Muslim homes and having acquired the ideologies of kufr and atheism by the process of university indoctrination. They are in a mess, unlike to strike a balance for the attainment of equilibrium of any kind. They are lost and ruined in this dunya and the Aakhirah.

“Peace on those who follow the Guidance of Allah.”
(Qur'aan)
