25 Sha'baan 1446 – 24 February 2025

**A BRIEF REBUTTAL OF
ANOTHER VILE ILLEGITIMATE
SON OF THE ACCURSED IBLEES
*THE MURTAD'S VILEST ACCUSATIONS
AGAINST IMAAM BUKHARI (RAHMATULLAH
ALAYH).*
**THE MORON MURTAD'S INCONGRUOUS
DENIAL OF THE AUTHENTICITY
OF THE QUR'AAN MAJEED AND HIS DENIAL
OF THE WHOLE OF ISLAM****

A miserable, copro-satanist rejecter of Islam in a stercoraceous diatribe slandering the illustrious Imaam Bukhari (Rahmatullah alayh), denies and refutes the validity of almost ALL the Ahkaam of Islam. In his copro-diatribes captioned, '*Bukhari Hero or Villain*', the Iblees-Incarnate deviate doomed for everlasting perdition in Jahannam, heaps vituperation and the worst of slanders on Imaam Bukhari (Rahmatullah alayh) who was perhaps the greatest Muhaddith who had compiled the Ahaadith of Rasulullah (Sallallahu alayhi wasallam).

This vilest of the Munaafiqeen of this era, masquerading as a 'Muslim', seeks to justify his slander on the basis of the Qur'aan Majeed. Whilst there is not the slightest vestige of doubt regarding the kufr and nifaaq of this copro enemy of Islam, he nevertheless parades himself as a 'muslim' claiming to be a follower of the Qur'aan. In his copro diatribe against Islam, making Imaam Bukhari (Rahmatullah alayh) the scapegoat for his kufr, he denies the Sunnah 100%. Thus this miserable inmate of Jahannam created to be fuel for Hell-Fire (*Hasabu Jahannam*), states:

“The majority of the Muslim ummah had been indoctrinated to believe that to be a good Muslim, you have to accept the Quran and the Sunnah (Hadith), i.e. two types of law. This is a paradox situation... Any sane individual will tell you, that you can’t have two laws, as it will lead to chaos and pandemonium...”

The paradox is in his brains which have become corrupted, convoluted, polluted and deranged by Shaitaan urinating into his brains. Shaitaani urine has afflicted this specimen of Rijs with the satanic disease described in the Qur’aan Majeed as *Takhabbutush Shaitaan*. Allah Ta’ala has deranged the brains this copro character with Rijs (spiritual filth):

“And Allah casts RIJS on (the brains) of those who have no Imaan.”
(An’aam, Aayat 125)

“And Allah casts RIJS on (the brains) of those who cannot understand.”
(Yoonus, Aayat 100)

This copro rubbish believes that since the inception of Islam, he is the only ‘sane’ person who has understood Islam, and that the entire Ummah together with thousands of Aimmah Mujtahideen, Fuqaha, Muhadditheen, Mufasssireen and Ulama of all kinds are insane, and have not understood the Qur’aan, hence they believe in his imaginary supposition of ‘two laws’. It is only a thoroughly insane man who, while parading himself as a ‘muslim’, understands that the Qur’aan and Sunnah are ‘two opposing laws’. He is the first or the primary Rubbish in Islam’s 14 century history who has understood the Sunnah to be the opposite of the Qur’aan.

While he proclaims belief in the Qur’aan, his blindness has precluded him from understanding the many Aayaat which explicitly and emphatically state: *“Obey Allah and obey His Rasool.” “Follow Allah and His Rasool”.* *“If you claim to love Allah, then obey me (that is the Rasool – Sallallahu alayhi wasallam).”* Imaan (being a Muslim) is inextricably interwoven with the Sunnah. And, this Sunnah, following of which is Fardh, is not acquirable from the Text of the Qur’aan. This Sunnah which is of paramount and fundamental importance has been acquired from “PEOPLE” whom the Qur’aan commands to submit to and obey. Thus, states the Qur’aan:

“Among the people are those who say: ‘We believe in Allah and the Last Day,’ , whilst in reality they are not Mu’mineen.

“They attempt to deceive Allah and the Mu’mineen, whilst in actual fact they deceive only themselves without understanding (because they are munaafiq morons).

“In their hearts lurks a disease (the disease of nifaaq and kufr). Thus, Allah increases for them their disease. For them there is a painful punishment because of the lies they disgorged.”
(Al-Baqarah, 8,9, & 10)

After confirming the *nifaaq* of the munaafiqeen who claimed to be following the Qur'aan, Allah Ta'ala says:

*“When it said to them (the munaafiqeen): **“BELIEVE AS THE PEOPLE BELIEVE”**, they retort: ‘Should we believe as the ignoramuses believe?’ Behold! They (these copro-munaafiqeen) indeed are the **SUFAHAA’ (Ignoramuses)**, but (they are too stupid), hence) they know not.”*

(Al-Baqarah, Aayat 13)

Thus, the basis of valid Imaan, is to believe in the way the **PEOPLE** believe. In the first instance *the People* were the Sahaabah, the standard bearers and repositories of the Sunnah. Any belief which is not like the Belief of the Sahaabah is never Imaan. It is Satanism and kufr.

In refuting the claim of Imaan made by the Munaafiqeen, Allah Ta'ala did not command: *Believe in the Qur'aan*. On the contrary, Allah Ta'ala ordered: **“BELIEVE AS THE PEOPLE BELIEVE”**

They were the **PEOPLE** of the **SUNNAH**. They were the carriers and narrators of the Hadith of Rasulullah (Sallallahu alayhi wasallam) – the Hadith which the Qur'aan commands to follow.

The copro, moron Munaafiq who has made Imaam Bukhari (Rahmatullah alayh) the target for his vituperation and slander, is too dense in his corrupted brain to understand that the Qur'aan itself is the Hadith of Rasulullah (Sallallahu alayhi wasallam). The Qur'aan which is today in our hands and in which the copro Rubbish affirms superficial belief, was structured into book form during the Khilaafat of Hadhrat Abu Bakr (Radhiyallahu anhu) on the basis of Ahaadith narrated by numerous Sahaabah. Jibraeel (Alayhis salaam) was not present on the occasion of the compilation of the Qur'aan Majeed which was executed on the basis of only Hadith. Thus, whoever rejects Hadith, rejects the Qur'aan, and this is the speciality of the Shiahs and of the morons of the ilk of the Rubbish Munaafiq who has so brutally slandered Imaam Bukhari (Rahmatullah alayh) whom he labels a ‘villain’ – Nauthubillah!

This was that Imaam Bukhari (Rahmatullah alayh) whom Rasulullah (Sallallahu alayhi wasallam) and a group of senior Sahaabah were waiting to welcome on the eve of his (Imaam Bikhari's) demise. This vile, filthy, munaafiq moron enemy of Islam has branded him a ‘villain’.

Minus the Sunnah there is **NO** Islam. Minus the Sunnah there is **NO** Qur'aan. But the Munaafiq moron being spiritually blind with a heart convoluted with kufr is wholly incapable of understanding that the Qur'aan which he flaunts as his belief is in reality the very Hadith (Sunnah) which he so derisively and blatantly rejects. Rejection of the Sunnah is in actual fact rejection of the Qur'aan.

The Qur'aan was not revealed to this Munaafiq moron. The Qur'aan was not revealed all at once in Book form. Its Revelation spanned a time passage of 23 years. Now it devolves on this Iblees-Incarnate Munaafiq to present his proof for the authenticity of the Qur'aan in which he proclaims belief. There is absolutely no way to substantiate the authenticity of the Qur'aan Majeed without its Hadith/Sunnah basis.

While the moron munaafiq's hypothesis is a blatant denial of the authenticity of the Qur'aan, he stupidly avers: *"The uniqueness of the Quran is that not only has it stood the test of time, but what was stated +- 1441 years ago is still applicable today..."* This moron fails to understand that the 'uniqueness' he has affirmed for the Qur'aan, is actually an attribute of the Hadith which has been narrated from Rasulullah (Sallallahu alayhi wasallam) by means of authentic and most reliable system of transmission, unique to only Hadith.

Among his rabid, blatant and vile beliefs of kufr are:

* Nabi Isaa (Alayhimis salaam) did not physically raise the dead to life. It was a 'spiritual' life, not a physical one.

* Nabi Musaa (Alayhis salaam) did not split the sea. He was ordered to pass through the sea with Bani Israaeel at 'low tide'. Thus 'splitting the sea' as stated in the Qur'aan refers to 'low tide'.

* Regarding the age of Nabi Nooh (Alayhis salaam) mentioned in the Qur'aan as 950 years, the rubbish khinzeer says: *"...the Quran states he lived for 950 years, this is not possible, what it implies is whatever Nuh taught his people, lasted for 950 years."*

* Denying the irrefutable fact that Rasulullah (Sallallahu alayhi wasallam) was informed by Allah Ta'ala of numerous things such as the details of Jannat, Jahannam, the Malaikah, etc., etc., the Iblees-Incarnate Munaafiq says: *"All the above hadith talks of the Rasool knowing or seeing the ghaib, so Bukhari is attributing a lie, to the Rasool...the Quran is specific that the Rasool does not know the future."*

This khinzeer is shockingly stupid. Imaam Bukhari has never claimed that Rasulullah (Sallallahu alayhi wasallam) is Aalimil Ghaib (the Knower of the Ghaib). The ghaib (that is, whatever Allah has hidden from man), remains the ghaib until not revealed. When the knowledge of an issue is imparted to someone, it ceases to be of the ghaib. Whatever, knowledge Rasulullah (Sallallahu alayhi wasallam) was given regarding the description of Jannat, Jahannam, Malaikhah, the Jinn, the events which will transpire in future towards Qiyaamah, etc., etc. ceased being issues of the ghaib. They remained details of the ghaib as long as they were not revealed. Once revealed, the attribute of ghaib has no application. Imaam Bukhari (Rahmatullah alayh) never claimed that Rasulullah (Sallallahu alayhi wasallam) was the Knower of the Ghaib. This is a confounded lie with which the Rubbish Munaafiq has slandered this great, illustrious Muhaddith of Islam.

Despite being scandalously ignorant of the meaning of *ghaib*, the scoundrel Munaafiq accuses Imaam Bukhari of attributing *Ilmul Ghaib* to Rasulullah (Sallallahu alayhi wasallam). Allah Ta'ala reveals to His Ambiya and Auliya many issues. Once revealed, they cease being part of the *ghaib*. In fact, the Qur'aan itself mentions many issues which were of the *ghaib* prior to revelation. But the moron is just too stupid to understand and differentiate between jam and faeces.

* The copro Munaafiq denies all the Mu'jizaat (Miracles) of the Ambiya. Every Mu'jizah demonstrated by Rasulullah (Sallallahu alayhi wasallam) is rejected by this miserable epistasis. The Qur'aan Majeed explicitly mentions the 'splitting of the moon' as a Mu'jizah of our Nabi (Sallallahu alayhi wasallam), but this vile jaahil created for Jahannam, says: *"This was just a solar eclipse."* While the Rubbish says that this Mu'jizah was a solar eclipse, the mushrikeen said that it was 'magic'.

The Mushrikeen of Makkah were well aware of eclipses. They were not as stupid as this copro Munaafiq. If the episode had been a solar eclipse, they would have mocked Rasulullah (Sallallahu alayhi wasallam) for presenting it as a Mujizah. However, since the event was witnessed by them with their naked eyes, the only answer they had was to attribute it to magic. If it had been a solar eclipse, they would not have described it as magic. Furthermore, the event took place at night, after sunset. It was not daytime when a solar eclipse takes place. Referring to the Mu'jizah of *Shaqqu'l Qamar* (*Splitting of the Moon*), the Qur'aan states:

*"The Hour (of Qiyaamah) has drawn close and the moon
has been split. If they (the mushrikeen) see any Sign,
they turn away and say that it is magic which will vanish."
(Al Qamar, 1 & 2)*

Despite the son of Iblees claiming belief in the Qur'aan, he brazenly denies this Miracle explicitly mentioned in the Qur'aan. Thus slandering Imaam Bukhari, the Rubbish epistasis says:

"What a great lie attributing to the Rasool that he created a miracle."

The copro diatribe of this evil Rascal Munaafiq is overloaded with kufr of the vilest kind. Any Muslim whose Imaan is still intact, will understand the absolute jahaalat and kufr of this insane shaitaan. Every statement he has made reeks of the stench of malicious kufr.

He is in denial of almost every Hukm of Islam. He denies the five Fardh Salaat, Zakaat, Hajj, the Raka'ts of Salaat, the detailed methods of Salaat, Zakaat, Hajj, Meeraath (Inheritance), Birth, Burial, Tahaarat, Tijaarat (Trade), and just about everything the Ummah has known and practised since the inception of Islam. Since these details of the variety of Acts of the Shariah are not stated in the Qur'aan, the Rubbish Munaafiq denies them and attributes these Ahkaam to what he claims are the 'lies' of Imaam Bukhari (Rahmatullah alayh).

According to the Copro Munaafiq only two Salaat per day have to be performed. Furthermore, Salaat according to his convoluted understanding is not the Salaat which the Ummah has been performing since the beginning of Islam. But while he believes Salaat should be performed only in the morning and evening, he does not explain the methodology of the salaat which he has conjectured in his brains suffering from a high degree of putrefaction. Obviously his idea of ‘salaat’ is bereft of the detailed method known to the Ummah.

CONCLUSION

This brief rebuttal should suffice for the rubbish which the Munaafiq has excreted in his diatribe against Imaam Bukhari, against Rasulullah (Sallallahu alayhi wasallam) and against Allah Azza Wa Jal.

His entire rubbish disgorgement is devoid of the slightest semblance of evidence. His professed basis on which he claims to argue is the Qur’aan. Before he can even proceed to use the Qur’aan as his basis, he needs to substantiate the authenticity of the Qur’aan which he uses as the foundation on which he structured his imagination. He has to first prove that his basis of argument is the Qur’aan which was revealed to Rasulullah (Sallallahu alayhi wasallam). There is absolutely no way of proving the authenticity of the Qur’aan Majeed without recourse to the Hadith. In a nutshell, the Qur’aan is HADITH. But, the one created specifically to be fuel for Jahannam cannot understand.

It is totally impossible to follow the Qur’aan without following the commands, instructions, teachings and advices of Rasulullah (Sallallahu alayhi wasallam), and whatever he had said and done is the Sunnah which is recorded and preserved in the Ahaadith. Precisely for this reason, does the Qur’aan command:

***“Say (O Rasool to the people): ‘If indeed you love Allah,
Then follow me (i.e. the Rasool), then Allah will love
You and forgive for you your sins. And, Allah is Ghafoor, Raheem.”
(Aal Imraan, Aayat 31)***

Again the Qur’aan states: *“He who obeys the Rasool, verily he has obeyed Allah, and whoever turns away (from the Sunnah), then know that We did not send you (O Muhammad!) as a guard over them.” (An-Nisaa’, Aayat 80)*

Obedience to Allah Ta’ala is 100% reliant on obedience to His Nabi (Sallallahu alayhi wasallam). What is the difference between the two sets of Obedience? In the satanically decomposed brains of copro characters of the type who slander Imaam Bukhari (Rahmatullah alayh) branding him a ‘villain’, there are two ‘obediences’ which the Rubbish Munaafiq terms ‘two laws’, but Allah Ta’ala declares ONE Law – ONE obedience. Obedience to the Rasool (his Sunnah) is Obedience to Allah Ta’ala.

What is the meaning of Allah’s command: *“Obey the Rasool.”*? If the Sunnah of the Rasool (Sallallahu alayhi wasallam) was redundant to be cast by the wayside, why did

Allah Ta'ala not restrict his command to 'Obey Allah...? The Qur'aan testifying to the veracity, validity and divine nature of the Sunnah (Hadith) declares:

"He (Muhammad) does not speak of desire (whim and fancy). It (whatever he says) is Wahi revealed to him." (An-Najm. Aayats 3 & 4)

Rasulullah (Sallallahu alayhi wasallam) did not merely recite and deliver the Aayaat of the Qur'aan. It was his obligation to provide the *tafseer* for the Aayaat. While the Qur'aan commands the obligation of Salaat, it is silent regarding the methodology of the Salaat, the number of raka'ts and the numerous masaa-il pertaining to Salaat. And, so is it with all acts of Ibaadat commanded by the Qur'aan. Only a Rubbish Munaafiq whose brains swim in the urine of Iblees is capable of denying this Reality which every ignorant Muslim readily understands and accepts.

While the Rubbish Munaafiq satanically describes Imaam Bukhari (Rahmatullah alayh) as a liar and a villain, Allah Ta'ala describing these miserable miniature dajjaals, says in the Qur'aan Majeed:

"From among people is he (the copro munaafiq) who disputes (satanically) regarding (the Aayaat of) Allah without any knowledge, and he follows every Shaitaan Mareed (vile, rebellious devil)."
(Al-Hajj, Aayat 3)

This character is truly Shaitaan-Incarnate as this Aayat confirms. It were his kind who had branded Rasulullah (Sallallahu alayhi wasallam) a liar, sorcerer, etc. These same epithets are being awarded by the Rubbish Munaafiq to Imaam Bukhari (Rahmatullah alayh), the greatest Bastion who defended and guarded the Sunnah/Hadith.

The Rubbish Munaafiq author of the copro diatribe of slander and vituperation is a *jaahil* whose *jahl* is of massive proportions. The fellow lacks the simple Shar'i methodology of even *Istinja*. The miserable wretch, lacking in entirety in Islamic qualifications, academic and moral, has been able to flaunt only a couple of donkey degrees acquired from kuffaar brothel universities. Shaitaan has inspired him to believe that these university donkey degrees qualify him disgorging and excreting pure, stinking rubbish in the name of the Qur'aan. Most certainly, he belongs to the damned clique of flagitious felons created for Hell-Fire:

"Undoubtedly, We have created for Jahannam numerous from jinns and mankind. They have hearts with which they cannot understand (they are plain stupid morons); they have eyes with which they cannot see, and they have ears with which they cannot hear. Indeed, they are like animals. In fact, they are more astray (than even animals). They are the ghaafiloon (satanically oblivious)."
(Al-A'raaf, Aayat 179)
