7 Sha'baan 1446 – 6 February 2025

UK RASCALS' DISSERVICE TO ORPHANS & DESTITUTE OF GAZA

BY A UK BROTHER

'I and the one who takes the responsibility of an orphan will be in Paradise thus; and he (i.e. Rasoolullah sallallahu alayhi wasallam) joined his middle and forefinger.'

(Sahih Bukhari)

An estimated 50,000 civilians are reported to have been murdered (some projections say 200,000+) and a further 100,000 injured with thousands more missing. Returning Muslim Mothers *hafizahunnallah* are digging out bones of their children who were buried alive and bidding them farewell. Gaza Authorities say over 10,000 bodies could be uncovered from rubble after 15 months of genocide.

Experts have warned removing 40 million tons of rubble in the aftermath of Israel's bombardment could take 15-20 years (Cost \$600m).

It is estimated almost 60% of buildings are now destroyed.

Rebuilding Gaza's shattered 450,000 homes will take at least 25-30 years.

EXTENT OF INFRASTRUCTURE DAMAGE

- \$40 billion estimated
- 88% of water wells
- 100% of desalination plants
- 200 government facilities.
- 123 schools and universities.
- 650+ Masaajid.
- 3 Churches.

The need of the hour is for every Muslim to assist our destitute brethren in whatever way possible.

"The parable of the believers in their affection, mercy, and compassion for each other is that of a body. When any limb aches, the whole body reacts with sleeplessness and fever." (Sahih Bukhari)

The only real way of helping them is to mend our ways first - turn towards Allah Ta'ala in earnest repentance (*Innaabat Illallah*); give up all sins; and to make du'a after every Fardh Salah.

Orphans, widows, infirm and the homeless require shelter, food, clothing and basic amenities. Returning refugees need a tent and basic sanitation.

Their similitude is like that of a drowning person struggling in the sea. Any decent human would be obliged to come to their assistance.

Allah Ta'ala forbid, if our own family were struck by such calamities, would we be concerned with their safety and basic welfare or run around organising televised bike rides, mock umrah, football competitions, exhibitions, food events, concerts, breakfast bars, etc.?

This is precisely what is happening in UK Temples and homes.

Currently, some narcissists have embarked on a sacrilegious Mock Umrah stunt; raising £500/orphan; with Yahooodi/Najdi/UK Government approval to take few Palestinian Orphans from Gaza by coach to Haramain Sharifain; dressed in Western attire, for Mock Umrah.

This started well before the recent ceasefire charade was announced.

Simultaneously, another group of clowns from UK embarked on a cycle ride - on the Hijrah Route between Madeenah Al-Munawaarah and Makkah Al-Mukaramah.

They are dressed in Haraam tight-fitting shorts, t-shirts, without Islamic head-wear; shamelessly cycling around the Haramain Sharifaain precincts with camera crews and support vehicles in attendance.

The entire Haraam stunt is sponsored by so-called UK Muslim businesses in a farcical attempt to raise funds for Gaza. As long as these mureeds contribute to the coffers of scholars, they receive the blessings and approval of senior Maulvis of UK.

No UK Maulvi will have the decency to call out all these Haraam wrongdoings, publicity stunts and desecration of Holy Venues; for fear of being branded extremist, ultra-orthodox, losing popularity, gifts and become ostracised. This is why they are also silent to the desecration taking place in UK Masajid. They are the 'Dumb Devils' mentioned by Rasulullah (sallallahu alayhi wasallam).

It gets worse. There are photos of UK Maulvis and their decrepit followers playing football and skipping in front of Masjid Al-Aqsa and roller-skating outside Masjid An Nabawee. In an Islamic Court, the Qadhi would order such rascals to be flogged in public. These Maulvis are among the Signs of Qiyaamah.

Recently, the traitor and bootlicker, Shaykh Sudais, was observed standing in front of Kabatullah with senior members of the Najdi Scout Movement - who were all dressed in

their Kuffar Scout outfits - raising his and their hands in the Scout Salute. Love of money has destroyed these Maulvis and shaykhs.

It appears, Muslims are now intent on enacting every imaginable act of sacrilege, mockery and desecration possible right in front of the Holy Precincts; there are even videos of UK Muslim females wishing 'Merry Christmas & Happy New Year' standing in front of the Kabatullah. They have to crawl into the 'lizard's hole' as predicted by Rasulullah (sallallahu alayhi wasallam).

Meanwhile, we have UK Maulvis debating on forums and legalising which brand of chicken should be consumed from the *Al-Baik* fast-food outlets in Haramain Sharifain; Watani or non-Watani?

It is well known to the Ulama of South Africa who are engaged in Deeni services in South America and, also those Tableeghi Jamaat brothers who have travelled there, that so-called Muslims living in these countries like Argentina, Brazil, etc., etc, (from where majority of meat to Arabia is imported) are Muslims in name only and are unable to even recite the Kalimah or aware of the Sharee concept of *Thabaah* (slaughter).

It appears visitors from the UK are ones who are carrying out the most desecration in the Haramain Sharifain after the Najdi Arabs. Why? Because this is the state of the overwhelming majority of UK Temples and Muslim homes.

'The Amal of Deen will be used to acquire dunya.'

From the Mimber of UK Masaajid, names of Cambridge and Oxford Uni-Brothels, together with PhD's in so-called Islamic Studies are broadcast by young Maulvis sitting supposedly in a Taaziya Program; convened a few hours after the death of their father; all in the presence of senior Maulanas, who join in the proceedings. Nobody raises a murmur.

In the UK, Maulanas now join in with cricketers, pop-singers, MP's in self-aggrandisement...all in the name of Deen. The Glorious Qur'an, Bukhari Sharif, Ahl-ul-Bayt, Haramain Sharifain, Gaza, any and every Deeni avenue which resonates with the Muslim Public is being exploited in the UK to generate acclaim, boodle and other tangible benefits.

Rasoolullah (sallallahu alayhi wasallam) predicted:

"Soon will an era dawn when nothing of Islam will remain except its name. Nothing of the Qur'an will remain except its text. The Masaajid will be ornate (beautifully adorned) structures but devoid of Hidaayah. The worst of the people under the canopy of the sky will be the ulama. From them will emerge fitnah, and the fitnah will rebound on them."

(Bayhaqi)

In the kuffaar plot to eliminate Islam, the Maulvis and shaykhs have been harnessed by Shaytaan into the schemes of the Jews and Christians. That is why they will have to make tawaaf of their intestines in Jahannum.
