INTERFAITH KUFR

GLARING KUFR BY A DEVIL- INCARNATE SO-CALLED 'ALAMAH'

In Pakistan a so-called 'allaamah', Ahsan Siddique of the Ibleesi society, *Interfaith Commission for Peace and Harmony*, is shamelessly advertising his interfaith kufr.

Embracing all religions as the 'truth', this jaahil agent of Iblees sends out congratulatory messages to Christians and Hindus on their holy days. "Happy Diwali", "Happy Christmas", "Happy Easter", "Happy Guru Nak Jayanti" and "Happy Palm Sunday" are some of his blatantly kufr messages designed to bootlick the *mal-oon* kuffaar and mushrik enemies of Islam.

His message of kufr on 'Guru Nak' day states:

"Happy Guru Nak Jayanti – We wish that you are showered with the divine blessings of Guru Nak Dev Ji today and forever."

This is his kufr message in blatant denial of the Qur'aan which repeatedly and vigorously proclaims everlasting Jahannam for the Kuffaar, but this agent of Shaitaan wishes the mushikeen 'divine blessing' forever. There is no blessings of Allah Azza Wa Jal for the kuffaar and mushrikeen. There is only *La 'nat and*

Ghadb for them. That is why the Fuqaha have stated unequivocally that all temples, churches, synagogues and the like are the abodes of the Shayaateen, hence haraam to visit such *Mal-oon places*.

In another kufr message in which he even displays a large cross, the son of Iblees says:

“Happy Palm Sunday: May the warmth of this season make your heart blossom with joy and happiness.”

There is no happiness and no joy in kufr and shirk. These are occasions of kufr and shirk. Whoever professes happiness with customs and festivals of kufr and shirk loses his Imaan.

In his stupid, haraam Easter message, the agent of Iblees states:

“In this sense Easter has a universal message, Easter also reminds us of the teachings of Jesus Christ...May God shower your home with love and peace. ...May Jesus bring you lots of love and joy.”

All his messages to the mushrikeen and kuffaar are in defiance of Allah Ta’ala. Acceptance of the holy days of the kuffaar, mushrikeen and idol-worshippers is kufr. This ‘allamah’ is NOT a Muslim. If he was perhaps born to Muslim parents, his interfaith kufr has rendered him a **MURTAD**. In addition to being a murtad, he is Shaitaan-Incarnate.
