# **THE HARAAM AMAANAT INVESTMENT RIBA COMPANY**

## ***THE LAMENTS OF WIDOWS, PENSIONERS AND THOSE DRIVEN TO DESTITUTION BY THE AMAANAT TYCOONS***

In this matter, we reproduce verbatim the letter of lament of a widow, Zakeeya Makada. Her heartfelt lament echoes the laments of many other destitutes who find themselves in the same haraam situation which their haraam investment had created in the haraam Amaanat company.

### **THE SISTER'S LETTER**

***“As’ Salamu Alaikum Wa-Rahmatullahi Wa-Barkatuh***

Mufti Saab

I m a widow . Plenty other shareholders are also widows like me . We invested into Amaanat, we felt the dividends would help us to run our homes . They have misused our monies a the CEO and directors are being paid salaries from our monies , yet we don’t get our returns as promised .

They sent this today And they address us very badly We paid 1 400 per share They offering us 585 per share We loosing lot of money which will leave us no where in a few months time . Or e must wait for how long , we could not c the money at all . Can you send me something very direct to them on then WhatsApp group to make them understand their consequences of their actions .

Lets see these neemak haraam people if they can go get their own value for R1k per share value. Url did enough for them. No respect or thanks for all that Minorities have done. Truly sick people

The very same disgruntled greedy selfish people claimed poverty when it came to contributing or donating to War Chest. Only big talk. They make threats of action but go like soda water. Same disgruntled bunch. Infatuated with 1000 rand value because it suits them. Disruptive Destructive Disgruntled Selfish ( DDDS) people. This is how they address us
