This is the deplorable kufr state in which Muslims find themselves today. The Deen is no longer of primary importance. Allah Ta'ala has created us for only ONE objective, and that is His Ibaadat:

***“I have not created jinn and man except for My worship.”
(Qur'aan)***

Salaat which is *Imaadud Deen* – The Central Pillar which upholds the Structure of Imaan – has been reduced to a secondary occupation – a hobby – by the Fussaaq and Fujjaar of the haraam school and by the moron, jaahil trustees of the Musjid. The putrid state of their flailing Imaan dictates that it is valid, permissible and laudable to kick the Jumuah Salaat into subservience to the kufr demand of the kufr education, hence they believe that it is permissible to shunt the Jumuah Salaat in whichever way they deem appropriate to appease the haraam demands of nafsaniyat relishing on the carrion of the dunya. *The dunya is jeefah (carrion).*”, said our Nabi (Sallallahu alayhi wasallam).

On the Day of Qiyaamah, Rasulullah (Sallallahu alayhi wasallam) will lament and complain to Allah:

“O my Rabb, this (my) nation has made the Qur’aan an object to buffet.”

These vile Fussaaq are making a ‘football’ of the Ahkaam of the Deen. Just imagine their villainy? Such an important and great act of Ibaadat is shunted into the background to make way for an education which is under the directive of Iblees. They are bereft of Imaan. Their brains have been cursed by divine RIJS. About them the Qur’aan Majeed says:

“Thus does Allah cast RIJS (Filth and Najaasat on the brains) of those who do not understand.”

They are making a kufr mockery of Jumuah Salaat to accommodate *jeefah* – carrion which has greater importance and significance for them than the Qur’aan, Salaat and the Command of Allah Ta’ala.

When the universal Athaab of Allah Ta’ala settles on this miserable community of hypocrites, there should then be no conundrum in comprehending the cause for the Wrath of Allah Azza Wa Jal.
