IT IS NOT YET THE END OF THE HARAAM SAHUC SAGA

While the haraam SAHUC entity has ignominiously been given the boot by both, the government and the kufr Saudi regime, this entity has still to be crucified by the Muslim community for its decades of usurpation of tens of millions of rands.

It is said that the now defunct SAHUC sits with R48 million belonging to the Hujjaaj. Refunding all of this money to those who have paid it is imperative. The refunding process must be demanded from SAHUC. If they refuse, legal action must be instituted to compel them to release the funds to the rightful owners.

The chaps who had been operating this haraam entity should not be allowed to silently siphon off the millions of rands belonging to the Hujjaaj.
