“KHATMUL BUKHARI” STUNTS ALSO A SIGN OF QIYAAMAH

Among the Signs of Qiyaamah mentioned in the Hadith is:

*“Ilm (Knowledge of the Deen) will be acquired for
purposes other than the Deen.”*

“The dunya will be acquired with the Amal of the Aakhirah.”

In this era in close proximity with Qiyaamah, these Signs are incrementally materializing. One such Sign is the many ‘Bukhari Khatam’ jalsah stunts organized by Stunter molvis whose objective is primarily acquisition of funds and also name and fame. This trend is gaining traction by the efforts of deviate molvis, especially in South Africa and UK.

Since they are birds of a feather – feathers of corruption – recently some miserable UK molvis invited the munaafiq, Reverend Abraham Bham to participate in their mock ‘bukhari khatm’ jalsah at their institute which they have dubbed ‘As-Suffa Institute’.

The deviate molvis of this institute could find no better molvi for their stunt jalsah other than the jaahil, interfaither, church-goer, cross-worshipper, Reverend Abraham Bham to grace their clandestine fund-raising effort under cover of the ‘khatmul bukhari’ stunt.

The Reverend Bham has absolutely no relationship with Saheeh Bukhari. He is a total non-entity in the field of Ilm-e-Deen. Since the chaps of the Suffa Institute are also non-entities in the sphere of Ilm-e-Deen, they sought the aid of the

interfaither, cross-worshipper for adding some colour to their miserable stunt advertised as ‘khatmul bukhari’.

The Muslim communities in UK and South Africa should beware of molvis who seek funds for their objectives camouflaged with Deeni and Ilmi hues.

These chaps wallow in haraam, fisq and fujoor. Television, video, photography, haraam facebook media, interfaith, covid bootlickers of Bill Gates & Cartel, promoters of haraam sport, diluting Hijaab, intermingling and liberalism are the hallmarks of their lifestyle.

These miserable molvis are adept in jumping on any bandwagon which promises lucrative boodle. Recently they had organized a ‘*Mashid Al Aqsa*’ stunt. The stunt was to beguile simple, unwary and ignorant Muslims. It was a merrymaking stunt of feasting and gluttony, the objective being funds which generally do not reach the suffering.

While silhouetted in the background is the suffering, misery, starvation, agony and brutalization of the Palestinians, these miserable molvis advertised: “*Hot food will be served*”. They sit in the UK and indulge in gluttony of the ‘hot food’ in the name of Palestine, while the Palestinians in Gazzah cannot find water to drink. While they are starving, these miserable molvis organize gluttonous feasts to draw ignoramuses to participate in their merrymaking stunts all in the name of the Deen and the Suffering Muslims.

Allah Ta’ala has endowed Muslims with Intelligence which they should use constructively to understand and to differentiate between Truth and falsehood - Haqq and baatil. Scrutinize the lifestyle of the these hoodlum molvis and your heart will provide the correct fatwa. Rasulullah (Sallallahu alayhi wasallam) said:

“Seek a Fatwa from your heart.”

If you want to know the truth, look with a discerning eye and with intelligence at the lifestyle of these miscreant molvis, then seek a fatwa from your heart. You will then not fail to understand that these fellows parading as molvis and painting themselves with Deeni colours are in reality **SCOUNDRELS**.
