## **MJC KUFR PLUS ABRAHAM RASOL KUFR EQUAL COMPOUNDED KUFR**

The statement of support for Murtaad Abraham Rasol issued by the Juhala of the Pork & Carrion halaalizing cartel called, MJC, is not at all surprising. The Qur'aan Majeed commenting on such bedfellows states:

*“The munaafiqoon and munaafiqaat (men and women are a single breed for) they proceed from one another. They enjoin evil and forbid virtue. And they withhold their hands (they are miserly). They have forgotten Allah, hence He has forgotten them (they are therefore destined to be fuel for Hell). Indeed the Munaafiqeen are the Faasiqoon. (At-Taubah, Aayat 67)*

That this carrion halaalizing entity has come out in support of the Murtaad is an axiomatic effect of the common factors of *kufur* and *irtidaad* in both. Both are birds of a feather, their trajectory being the roadway to Jahannam whose fuel are the murtaddeen, munaafiqeen and selected segments of the kaafireen. They are Qur'aanically termed: *Hasabu Jahannam and Wuqoodun Naar*.

This eternally doomed and damned MJC agent of Dajjaal while masquerading as Muslims and 'leaders' of Muslims, have no longer any affinity with Islam. The miscreant, most miserable fellows of which this Juhhaal Entity is comprised of, now flagrantly proclaim their support for a Murtaad whose *kufur* and *irtidaad* are not impalpable to even ordinary, laymen Muslims who have no understanding of the operation of the *Usool* of the Shariah. Nevertheless, Muslims are aghast and revolted by the support that this bogus MJC 'leader' of Cape Muslims have proffered for a Jahannami who has flagrantly advertised a range of his kufur artefacts.

The Shariah is clear and emphatic in excommunication (making *takfeer*) of those who laud, applaud and elevate Murtaddeen.

The emulous bootlicking of the enemies of Islam - and all kuffaar are the enemies of Islam – of the murtaddeen and munaafiqeen sinking and stinking in their cesspool of inequity, glaringly demonstrates that they have no truck whatsoever with Islam despite their cunning assertion of being Muslims.

The issue which is of concern is the kufr of a chap who parades himself as a Muslim. The issue is not his sacking and ignominious kicking out from America by his boss, the Clown Trump. The political dimension is of no concern to Muslims. What is of concern is the blatant kufr which the chap excretes whilst claiming to be a Muslim. It is palpably clear that he has no idea of the meaning of being a Muslim in the meaning of the Qur'aan and Sunnah.

The reference by us in this discussion of the Clown-in-Chief is merely to highlight that even the kuffaar such as the Trump character, have proclaimed Abraham Rasol *persona non grata* politically while the Shariah has declared him *persona non grata* religiously years ago. Thus, both religiously and politically the chap is a loser, and such loss of the dunya and the Aakhirah comes within the purview of the Qur'aanic Aayat:

*“He is in loss in this dunya and the Aakhirat.  
Indeed it is a manifest (great) loss.”  
(Al-Hajj, Aayat 11)*

The murtaddeen and munaafiqeen are disgraced by Allah Ta'ala in this world and in the Hereafter where Jahannam awaits them. One such worldly disgrace is to be booted and kicked out of the country by the boss who happens to be a Clown of a Mad people who have voted into power a mad man. Now this Clown has brought ignominy on the head of the chap. The aforementioned Aayat was revealed specifically for the munaafiqeen and murtaddeen.

Our criticism of the miserable fellow doomed in terms of the Qur'aan, has no political connotations. The MJC's bootlicking is not unexpected. Their primary concern is the boodle which the bootlicking chimera promises. The Covid Satanism had netted the MJC a large sum of boodle to line pockets and make merry. Thus the silly narrative of the bootlicking carrion halaalizer in support of the murtad and the government merely demonstrates its trademark obsequiousness and the haemorrhoids in their brains. Such haemorrhoidic convulsions in the brains of murtaddeen and munaafiqeen are termed *RIJS (FILTH)* by the Qur'aan Majeed:

*And, Allah casts RIJS on (the brains of) those who have no Imaan.  
And, Allah casts RIJS (on the brains of) those who  
are bereft of understanding.”*
