THE MOCK ‘HIJAB’ DAY OF THE SATANISTS PILLAGING & PLUNDERING HAYA IN THE NAME OF ‘HIJAB’

From Pakistan a Sister writes:

Assalamoalaikum

Today on the 4th of September, the stupid ‘Hijab Day’ is being celebrated by women, all over the world with frenzy. ‘Mufassirs’ (ladies and gents) are giving lectures on ‘Hijab’ and ‘Hijab Day’ on their favourite dajjali media i.e. Youtube.

What they never state are the shameless acts which the so called ‘Hijabis’ are into by the full consent of their menfolk.

Ladies go for vacation to Thailand and Malaysia, where in the waterparks, in full view of the staring public, donning the ‘Hijab’ they waterslide on large slides drenched in water, screaming with fake thrill, and the husband makes videos and pictures.

In the UK the ‘Hijabis’, were seen collecting wine bottles and other litter from garbage drums, This utterly shameful scheme was put in action by the Local Municipalities on the pretext of community help. The men were cheering them on social media snugly sitting at home.

The ‘Hijabis’ with their ‘Hijab’, parade on catwalks, with fasionable head covers wearing tight fitting jeans and blouses and other fasionable attire in front of a mixed gathering of fasionable men and women, with photograhers making vidoes and pictures.

In France where the "Bill prohibiting wearing Hijab was forced to withdraw", and the 'Hijab Day' emerged, 'Hijabis' work in food outlets and restaurants, wearing the 'Hijab', with full makeup serving the customers throwing smiles at them.

All these scenes are on the social media.

Mufti Saheb I have no ilm or aml at all but I wonder why the sheikhs and 'sheikhanis' don't give a thought to these shamelessness and gross and open violation of the Shariyat.

(End of the Sister's letter)

These so-called 'hijabis' are prostitutes and Satanists. Their *dayyooth* menfolk are also Satanists aiding their wives and daughters to indulge in zina.

'Hijab Day' is shaitaan's day. Under cover of an Islamic designation, zina of a variety of kinds is perpetrated by women whose *Imaani Haya* is deracinated.

The 'hijabi' Satanists, the shaitaani 'hijab day' and their supporting menfolk are among the worst acts and scenarios of mocking the Deen. The satanic celebration is kufr. The participants in this haraam kufr celebration cannot be Muslims.

Every act associated with this day of shaitaan is in violent conflict with the Shariah. Every act comes within the purview of the concept of zina expounded by Rasulullah (Sallallahu alayhi wasallam). While the male devils and the female devils have dubbed their day of satanism 'hijab day', it is a day of zina, shaitaaniyat and kufr. These prostitutes and their supporters cannot hoodwink even ignorant Muslims whose Imaan has not been poisoned with western kufr. They deceive only themselves.

People of this category can afford to conduct themselves with brazen shamelessness because they have been created for Jahannam. In the Qur'aan Majeed they are describes as *Hasabu Jahannam* (Fuel of Jahannam).

While a Muslim does sin, he/she regrets, conceal the sin and cries to Allah Ta'ala, seeking forgiveness. But these audacious prostitutes are utilizing a Deeni term to promote their immorality and lewdism.

The degree of abject moral degeneration of the Ummah is inviting the Athaab of Allah Ta'ala. The suffering of the Muslim Ummah at the hands of the brutal kuffaar is not at all surprising. Allah Ta'ala has unleashed His Athaab for a grossly treacherous, immoral Ummah drowning in fisq, fujoor and kufr. And, the primary cause for the decay and rot of this Ummah is the total abandonment of *Amr Bil Ma'roof Nahy Anil Munkar* of the Ulama.

Since the Ulama of this era constitute the "worst of the people under the canopy of the sky" promoting *fitnah* and *dhalaal*, the rotten state of the masses is not surprising. Qiyaamah cannot be in the too distant future.
