U.K. MOLVI PROMOTING FISQ, FUJOOR & KUFR

From the UK, a Brother writes:

Assalaamu'alaykum

Since Deobandi "Ulama" in the UK won't address the potential kufr statements of "one of their own" in the Masjid, I submit to The Majlis the following extract taken from a Jumu'ah talk by "Maulana" Yunus Dudhwala on 28/11/25 at Masjid Quwwatul Islam. I quote verbatim:

"The holidays are coming up, Christmas holidays. Majority of people do not believe in Jesus. Those that celebrate Christmas, the majority do not believe in Jesus.

"If you look at the census of 2021, only 44% of people said they believe in Christianity. 55% of people don't believe in Christianity in this country. But when it comes to Christmas it's like a holiday for them.

"There are some Ulama who'll say you can't give gifts, you can't give cards, but I will tell you that those of your neighbours who are non-Muslim, and they are white and you think that they are celebrating Christmas as a holiday, go and give them a gift. Feed them some samoosas. Go give them a gift, give them a card.

"We have to win hearts. We have to win minds. It's time to realise what's happening in this country before it's too late. Many processes/plots have been hatched against the Muslims. We need to wake up! And it's not only my responsibility, every single one of us is responsible.

"Whatever we can do, even if one person comes to Islam. (In fact) becoming Muslim is not a necessity. So long as you remove the opposition to Islam from the heart, this is necessary. Even if you change one person's mind, two people's mind ten people's mind, that could be enough for you on the Day of Judgement."
End of brief Extract"

THE COMMENT OF HAQQ – THE COMMENT OF THE SHARIAH

“O People of Imaan! Do not take the Yahood and Nasaara as friends. They are mutual friends. Whoever from among you (Muslims) befriends them, verily he is of them. Verily Allah does not guide people who are zaalimeen (oppressors).”

(Al-Maaidah, Aayat 51)

Minds cannot be won by means of bootlicking methods. Minds and hearts of the kuffaar are won by propagating the Haqq of the Deen, not by compromising and diluting Islam to make it palatable to the kufr palates of the Yahood and Nasaaraa. The aforementioned Qur’aanic Aayat explicitly prohibits bootlicking the Yahood and Nasaaraa – the type of bootlicking which this miserable, shaitaani bogus molvi of the UK is promoting.

When shadows are feared, then the fear of Allah Ta’ala departs from the hearts of Muslims. Instead of the focus being on Allah Ta’ala, the scoundrel molvi deceives ignorant Muslims with a method which is in diametric conflict with the Qur’aan and the Sunnah.

“You will see those in whose hearts is a disease (of kufr and nifaaq) racing among them, saying: ‘We fear that some misfortune may befall us.’”

(Al-Maaidah, Aayat 52)

Extreme deficiency of Imaan or total lack of Imaan has constrained the agent of Iblees to so obsequiously squeak out the twaddle:

“We have to win hearts. We have to win minds. It’s time to realise what’s happening in this country before it’s too late. Many processes/plots have been hatched against the Muslims. We need to wake up! And it’s not only my responsibility, every single one of us is responsible.”

Never ever can hearts be won by bootlicking the kuffaar. Hearts are won only if Allah Ta’ala creates in the hearts the material for mutual affection/love. Thus, the Qur’aan stating this fact, says:

“He (Allah) created love between their hearts. Even if you (O Muhammad!) had to spend totally whatever (wealth) there is on earth, never will you be able to create love between their hearts. But it is Allah Who instils love among them.

Verily, He is Mighty and Wise.”

(Al-Anfaal, Aayat 63)

When even Rasulullah (Sallallahu alayhi wasallam) did not have the power to ‘win hearts’, what should be expected from Juhala and Jaahil bootlicking molvis who lick the boots and the hinds of the Yahood and Nasaaraa labouring in the satanic

deception of ‘winning hearts’? Hearts are ‘won’ only when Allah Ta’ala intervenes and creates love in people. Hearts are not won by adoption of the ways and customs of the kuffaar. On the contrary, all ways and practices of the kuffaar have to be compulsorily shunned.

The disease of *nifaaq*, mentioned in the aforementioned Aayat, constrained the bootlicking UK molvi to crawl behind the Yahood and Nasaara. It is fear for shadows which has satanically induced in him the bootlicking attitude. Crawling obsequiously behind the Yahood and Nasaaraa is Imaani suicide. In this regard, the Qur’aan states:

“O People of Imaan! If you follow the kuffaar, they will turn you on your heels (to renege from Islam), then you will become the great losers. In fact (only) Allah is your Protector, and He is the best of helpers.”
(Aal-e-Imraan, 149, 150)

Even if Muslims waste away their entire lives bootlicking the kuffaar and submitting to their fisq, fujoor and kufr whims and fancies, never will they (the kuffaar) become the friends of Muslims. And, how is it ever possible for fire and water – for two opposites – Imaan and Kufr to unite in a single substratum? Never ever is this possible. Never can the hearts of the Yahood and Nasaaraa be won by adopting their methods and by truckling to them. For Muslims, Allah suffices. Thus the Qur’aan Majeed says:

“O Nabi! Sufficient for you are Allah and those of the Mu’mineen who follow you.”
(Al-Anfaal, Aayat 64)

We do not need the ‘hearts’ of kuffaar wallowing in kufr and najaasat to protect us. For us Allah Ta’ala suffices:

“If Allah aids you, no one can then defeat you. And, if He abandons you, then who is there to help you besides Him. On Allah should the Mu’minoos have trust.”
(Aal-e-Imraan, Aayat 160)

There is no need to bribe the *najis* hearts – the hearts of kufr – with samoosas. Spineless cowards such as the UK bogus molvi who lacks Imaan, can go with their samoosas on bootlicking jaunts. Muslims should not allow themselves to become ensnared in the traps of fisq, fujoor and kufr which this agent of Iblees is promoting. Our succour and our safety is in ONLY *Ibaadat and Taa-at*, and in nothing else.
