OUR QUR'BAANI PROJECT 1446

Due to some malicious claims circulated by an ignorant grimalkin, a rebuttal is necessitated. The baseless claims made by the spiteful old lady pertain to Maulana Omar Desai. Regarding Maulana Omar, please note that:

- (1) He is a trader. He buys and sells animals for a profit. He does not claim to be doing a charitable deed in this regard.
- (2) We also purchase animals from him.
- (3) He overseas **part** of our India Qur'baani project.
- (4) He is not associated with the entity called *Gift of the Needy*. This entity also purchases animals from Maulana Omar who oversees the Qur'baani of such animals.
- (5) Maulana Omar has no relationship with the projects of *Gift of the Needy*. He sells animals at a profit to *Gift of the Needy*, to us and to anyone else.
- (6) We have the fullest confidence in Maulana Omar's handling part of our India Qur'baani project.
- (7) Our Qur'baani Project extends to several countries. Maulana Omar assists only part of our India Qur'baani project.

Anyone who entertains any doubt, should divert their Qur'baani order elsewhere.
