BEWARE OF ‘OVERNIGHT YOUTH PROGRAMMES’

YOUTH NIGHT PROGRAMMES ARE BREEDING GROUNDS FOR HOMOSEXUALITY

This is the kind of programme from which children should be saved. Parents who allow their boys to sleep outside ‘overnight’ are guilty of abusing the Amaanat of children which Allah Ta’ala has entrusted to them. Children have to sleep at home, not outside with other children and possibly under the ‘supervision’ of scoundrel sexual perverts.

The programme was “Conducted by the Youth & Senior Ulema”. All of these characters, especially these so-called ‘senior ulema’ are suspect from the moral perspective. They should shame themselves for becoming involved in such haraam merrymaking programmes which lure boys to sleep out.

These haraam programmes provide fertile ground for acts of sexual perversion between the boys as well as between the boys and the molvis under whose care their parents have satanically cast their Amaanat.

The boys had to bring along their bedding and their friends while the scoundrel organizers provided refreshments. It is indeed an environment similar to kuffaar camping sites. The Musjid is used as a camouflage for gross *nafsaaniyat*.

The genuine Ulama should speak up, condemn these evil night programmes and urge parents not to co-operate with the miscreant so-called ‘senior ulema’ who are associated with these kuffaar-style haraam merrymaking camping/picnicking programmes.
