THE KUFR TEACHINGS OF THE AL-AZHAR SO-CALLED ISLAMIC SCHOOL

An irate parent exposing the KUFR which the so-called Islamic school in Durban indoctrinates pupils with, writes:

Assalaamu Alaikum

I wish to bring to your attention a most disturbing incident which has taken place at Al Azhar Islamic School of Durban.

My son, who is a student at the school, was shown a worksheet by his teacher, Mualima Umaya, depicting the so-called “evolution of man from monkeys.” She went further to teach the class that mankind originated from monkeys.

I was shocked and appalled that in an Islamic school such blatant falsehoods were being taught to Muslim children. This is in direct conflict with the Qur’anic truth of the creation of mankind by Allah Ta’ala. To propagate Darwinian evolution in an Islamic classroom is unacceptable and a betrayal of the trust parents place in the institution.

We send our children to Islamic schools precisely so that they are protected from such un-Islamic ideologies. Instead of reinforcing the truth of the Qur’an and Sunnah, these innocent children are being exposed to kufr theories under the guise of education.

I demand that Al Azhar Islamic School issue a full retraction to the students, and that the teacher, Mualima Umaya, be formally disciplined for

this grave infraction. If the school tolerates such teachings, it defeats the entire purpose of an Islamic education.

I make an urgent appeal to the Ulama, the parents, and the broader Muslim community to be vigilant. If such un-Islamic content is allowed to creep into our schools, the next generation's Imaan will be at risk. ***(In fact it will be destroyed and the students will have become murtaddeen without even the parents realizing. - The Majlis)***

(End of the Complaint)

These so-called 'Islamic' schools are KUFR, Fisq and Fujoor schools. Their kufr teaching is worse than the kufr of kuffaar schools. At least the Muslim pupils in kuffaar schools understand that kufr and baatil are being taught. But in the so-called 'islamic' schools the students are satanically deceived and tricked into embracing kufr, fisq and fujoor. Thus, their Imaan is eliminated without them even realizing.

The teacher who teaches the Monkey-Kufr is not a Muslim. She has lost and destroyed her Imaan. If she is married, her Nikah has terminated. If she is desirous of being a Muslim, she should renew her Imaan and Nikah, and desist from teaching kufr. Teaching kufr eliminates Imaan.

The Ulama of today are too desensitized to accord importance to this major act of KUFR being subtly and cunningly imparted to Muslim children in the schools of Iblees. The Ulama are lost in confusion in their stupid haraam merrymaking jalsahs, personal squabbles and power struggles. Their focus is on name and boodle.

The parents themselves are blameworthy. Why do parents expose the Imaan of their children to kufr by sending them to the schools of Iblees? We wonder if this irate parent will be removing his child from Jahannam or leaving his son to putrefy in the kufr school. Parents who are concerned about the Imaan of their children should remove them from the school. It is haraam to send children to the schools of Iblees to be indoctrinated with KUFR.
