THE ENEMIES FROM WITHIN THE UMMAH GNAWING THE FOUNDATIONS OF ISLAM

THEY ARE WORSE THAN THE YAHOOD AND NASAARA ENEMIES

The Ummah – the vast majority of the ignorant – in this era is being devastated morally and spiritually by a highly pernicious admixture of satanic elements in deeni guise. The potion of kufr which this vile conglomeration of villains brew is highly combustible. The Akhlaaq (morals) and Imaan of the ignorant masses are being emaciated and ruined by several kinds of poisonous forces all operating in the name of the Deen whilst in reality all of them are agents of Iblees.

These shaitaani elements comprise of the modernist *zanaadaqah*, the liberal molvis, sheikhs and the dumb mixed breed ‘scholars’, the riba bank molvis/sheikhs (the so-called shariah boards), the carrion halaalizers such as SANHA and MJC, and even the darul ulooms with their ever incremental wasteful jalsahs of riya /kibr of a variety of kinds.

In a symbiotic onslaught swirling menacingly over an Ummah drowned in ignorance, the variety of elements, each one having its own different pernicious agenda, are gnawing the very foundations of the Deen. All these elements are anti-Sunnah, knowingly or unknowingly. Their deeds and misdeeds divert the ignorant masses of this Ummah from true Islam – the Sunnah of Rasulullah (Sallallahu alayhi wasallam).

The true Deen is being buried under festering mounds of technicalities and misinterpretations of the Qur’aan and Ahaadith. *Ghutha (Rubbish)* such as Menk, Reverend Bham, Dr.Salah, Sheikh Zahir, Aussie Mammoth, Sheikh MacCarthy, the MJC, the NNB Clique interfaith kuffaar, Bogus uucsa, and an ever-increasing host of *shayaateenul ins* (human devils).

These modernist *zanaadaqah* masquerading as Islamic experts with their copro ideas and misinterpretations, the satanic ‘shariah boards’ of the riba banks with their halaalization of riba with copro ‘fatwas’, the carrion halaalizing mafia gangs, and the darul ulooms and bogus khaanqas with their merrymaking jalsahs of feasting and excreting and similar other institutions and characters of deviance, have emasculated the Imaan and deracinated the Akhlaaq of the ignorant masses who

derive pleasure from all the haraam nafsaaniyat painted with deeni hues by all the quacks and frauds parading as experts, reformers and scholars of Islam.

Very little of true Islam remains today in the Ummah. Regarding this state of affairs Rasulullah (Sallallahu alayhi wasallam) had predicted:

“An age will dawn when nothing of Islam will remain except its name. Nothing of the Qur’aan will remain except its text. The Musaajid will be ornate structures bereft of guidance. The vilest of the people under the canopy of the sky will be their ulama. From these ulama will gush fitnah and the fitnah will rebound on them.

“Then will come an age when the one who holds on the Deen will be Like one holding an ember (a burning coal).”

The gravest danger for the Ummah is not the kuffaar and genocides such as happening now-a-days in Palestine. The worst calamity which has befallen the Ummah is the danger from within its own ranks. The vilest of this conglomeration of vile *shayaateenul ins*, are the interfaithers. It is their satanic function to dig up the foundations of Islam by equating Islam to all ideologies of kufr and shirk.

There is the difference of heaven and hell between the Islam of the Sahaabah and the mock ‘islam’ which this illegitimate progeny of Iblees propagates and promotes. This trend is set to increase and gain momentum with the approach of Qiyaamah. The stage for Dajjaal has to be prepared, and it is this conglomeration of shaitaan’s agents who is doing the spadework for their god, the real Dajjaal. Even the institutes of knowledge have lost the path – the Straight Path of the Deen. The molvis of the darul ulooms dwell in confusion with their plethora of stupid jalsahs deceptively marketed as ‘deeni’ functions.

The *Rooh* (Soul) of Islam and of *Ilm* has been suffocated and killed off even in the Darul Uloom. The *amal* of the Aakhirah, according to the Hadith, is being misused for worldly and nafsaani motives. This is the rotten state of the Ummah all over the world. Thus, all the bootlicking of the kuffaar by Muslims, and the domination of the kuffaar are not surprising. The predictions of Rasulullah (Sallallahu alayhi wasallam) are materializing in quick succession in our age.

Even ignorant Muslims, provided they are sincere, should reflect and not allow themselves to be misled and misguided by the glut of satanic ‘scholars’ and deviant molvis and sheikhs prowling the globe. They are devils who pose as ‘guides’. They infiltrate the Musaajid to mislead and deceive the ignorant audiences with their deceptive talks coated with some deeni colours. Devils giving bayans and reciting qiraa’t in the Musaajid have also been predicted as signs of Qiyaamah.

Listening to the talks of these deviates contaminates Imaan and casts the brains into disequilibrium. Understand well that the company of deviates is extremely toxic for our Imaan and Akhlaaq. Rasulullah (Sallallahu alayhi wasallam) said that evil company is worse than evil deeds. The commission of a sin brings remorse and regret in the heart of the Mu’min. He then hastens to rectify his bond with Allah Ta’ala by means of sincere Taubah.

But a man whose heart and brains are disfigured by the company of evil deviates, especially **murtaddeen** such as the interfaithers, is incapable of understanding his deviance from Siraatul Mustaqeem. The evil company’s effect is extremely harmful and dangerous for Imaan. Seeking the refuge of Allah Ta’ala from the danger of evil company, Rasulullah (Sallallahu alayhi wasallam) supplicated:

“O Allah! I see Your protection from an evil associate and an evil moment.”
