4 Rajab 1446 – 4 January 2025

THE UK ULAMA-E-SOO'

Commenting on the deplorable condition of the Ulama-e-Soo' in the UK., a Brother states:

UK CARPET BAGGERS & SCALLYWAGS

Allah Ta'ala mentions in the Glorious Qur'an:

'Indeed, Allah orders justice and good conduct and giving to relatives and forbids immorality and bad conduct and oppression. He admonishes you that perhaps you will be reminded.' (16:90)

Regarding the current subject of misdemeanours taking place at Deeni Institutions, those in the UK deserve a special mention.

Yesterday the Janazaah Salah took place of a Maulvi who had terrorised students over past few decades at Darul Uloom Markaz in Dewsbury, UK; he was synonymous with his so-called control over Jinni and nefarious habit of victimising, verbally abusing and bullying certain Students and regularly sending them to Shura (Madrasah Management) for reprimand over fictitious accusations of misconduct.

There are many Students who will not shed any tears at his demise. Good riddance. Numerous are the Students who were expelled or became totally disillusioned and left their pursuit of Deeni Taaleem because of such bullies.

What would not normally be expected, yet is not too surprising either, is the send-off and accolades lauded upon this Jinni Maulvi from the seniors directly responsible for squandering well over a million pounds on legal fees in the recent legal disputes between Dewsbury (Nizamuddeen) and London (Raiwind) Marakiz over the Abbey Mills Site.

'Birds of the same feathers flock together.'

With what face may such a person address Musallees attending the Janazaah and shower praise on this Jinni Maulvi?

Squandering over a million pounds, in a totally unnecessary legal case, is gross treachery, incompetence, dereliction of duty and makes one unworthy of trusteeship even according to Kuffar Law.

Not to be outdone, Rabetah Ulama of Batley, perennial hosts of Maulvi Fadhlur Rahman Azmi (Mr Anti-Freeze); Maulvi Ebrahim Bham (Rev Abraham); Mufti Sooleman Molla; PM Boris Johnson (BoJo), etc. etc. held a TAXiyaat Program later in the evening in honour

of the deceased Jinni Maulvi; under the Ahl-e-Bayt banner; wherein Senior Maulvis of UK attended, to add credibility and sweep unpalatable matters under the rug.

Nothing better maybe expected of such carpet baggers and scallywags.

To expect them to self-regulate and weed out their misdemeanours is a non-starter and akin to asking fraudsters to police themselves.

They are anything but pious, noble or chivalrous. Deen is merely used to acquire dunya.

The passing away of this Jinni Maulvi is being treated as a great loss to academia & much was made of his supposed lineage as a Sayyid - especially by those who use the Ahl-e-Bayt cover to line their own pockets and sing their own praises.

The current treacherous lizard King of Jordon, Abdullah Hashimi II, is supposed to be the direct 43rd descendent (Sayyid).

Whilst his late father King Hussein, was the one who sold out Palestine to the Yahood and his great grandfather, King Hussein bin Ali, Sherif of Makkah (Al-Mukarramah), was the one who connived with the British to destroy the last Khilaafah of Islam and Uthmaani Rule over Hijaz; and was indirectly involved in the overthrow of Sultan Abdul Hamid Uthmaani II rahimahullah. He was also instrumental with Lawrence of Arabia and the Najdi Yahood in the destruction of the Hijaz Railway near Madeenah Munawwarah.

Returning to the funeral of this Jinni Maulvi, it was disturbing to view the grins on the faces of numerous Maulvis attending - however special mention must be reserved for the Senior Muftis & Maulvis who deliberately placed themselves, as they often do, in such locations so everybody has to circumambulate and make salaams to them just to exit the Masjid.

The disease of Hubb-Jaah (desire for name, fame & glory) is such that once bitten, it has no end. It is like snake venom.

These lizards revel in such environments and the atmosphere was one of distinct merriment; not sombre at all as would befit a funeral.

The funeral and TAXiyaat antics of these Maulvis is reaching Bollywood proportions. It's one big drama and theatrics which the dopey UK Muslim Community falls for every time.

Women are summoned to simultaneous programs in adjacent halls; ostensibly accessed by separate entrances and; like sluts they come to parade, shed a few crocodile tears and then engage in what they do best, gossip.

All these proceedings are announced from the Masjid Musalla as is the shameless call to dine.

These funerals are big business now in the UK; with hall-hire and doubtful (at best, Haraam more likely) food provision raking in thousands of pounds for the committees of these Masajid.

Like vultures, these committees and senior Maulvis are converting Masajid into Community Hubs so they become commercial enterprises. They long for funerals so their coffers may be filled. It's the only time many Maulvis are ever seen inside a Masjid now in the UK.

What was considered unthinkable only a decade or two ago is now becoming the norm and acceptable. Any criticism is brushed off as valid 'ikhtilaaf' (academic and technical differences) and anybody who dares criticise a Maulvi is warned they risk not only losing their Imaan, but there will be no Huffaz or Alim in their progeny for seven generations. So, any parent whose child has suffered at hands of these rogue Maulvis should shut-up and not complain; no matter what the collateral damage be to their family.

To top it up, are these TAXiyaat Programs and lengthy obituaries, where every Tom, Dick & Harry, whose relatives pay up, may now enjoy a wonderful write-up & send off.

Having profited from these Deeni Institutions for the past 4-5 decades in every way possible; foul and fair; these seniors of the second generation, including Maulvis, Bogus Khanqah Shaykhs and Tableeghi Jamaat Elders are leaving UK Muslims in such a spiritually barren and corrupted state that it is not hard to imagine the total catastrophe and carnage which will follow when Divine Punishment arrives in the UK upon the Muslim Community within the near future.

An indigenous person was heard addressing UK Muslims during recent 'Race Riots,' 'We will take your houses, businesses and cars.'

Judging by the cynical grins on the faces of Maulvis attending these funeral & TAXiyaat programs, that day is not far away and will be well deserved.

True to form, these Maulvis will add another spin to the Jinni antics of this deceased Maulvi. It will be claimed in their defence, 'he was also an Amil of high calibre; outstanding academic; served diligently for decades; studied under erudite Akabir Ulama of the Sub-Continent; was invited to teach in UK by the Founder of Darul Uloom and Ameer of Tableeghi Jamaat rahimahullahu. All these accusations are baseless; so many Maulanas who studied under him, are willing to swear under oath that he was a very genuine and magnanimous teacher. These are just extreme accusations levelled by anti-Ulama haters, etc. after his death.'

This is how these people always operate; rather than address facts and issues; they draw up arguments to obfuscate – the classic smoke and mirrors strategy.

'Children should be able to live a life free from bullying and harassment and it is time that we all took a stand against this.' (CC)
