THESE WOMEN ARE SNARES OF IBLEES

A Concerned Brother from UK writes:

“A very concerning matter facing us here in the UK and I believe in many countries. The matter is that some ladies have opened a door of going around place to place to give bayaans.

They become speakers and attend as well as put together conferences where they attract audiences based on their skills in language and the ability to deliver an entertaining talk. Some of them podcast on social media for everyone to listen to .

Men have full access to listen to them live or to the saved video recordings. Some of them do so in niqaab and some without.

This oratory by these women has become very appealing to young girls who see this as a goal to achieve in their spiritual growth. These women openly encourage other ladies to do the same and as a result there are teams of such ladies going around almost like shaikh and mureeds.

They attract big followings and people are being misled to believe that the sahabiyaat use to also lecture and advise men in the matters of deen.

They lure young girls with the snare of online quran classes and then lead them to the same desire to be lecturers and hold their own conferences.

This has also become a business in the name of deeni efforts. This looks very attractive to modern muslim families that their wives and daughters are getting some kind of exposure to deeni knowledge and it is also very convenient in keeping them busy and as it is said rather keep them off the streets.

Women and girls are also attracted through emotional activities of social and welfare work. In most cases the harms are not immediately apparent .

Should innocent families be warned about this? To what extent should women be allowed to have these kind of lecture conferences? Will appreciate your guidance on this matter.” (*End of the Brother’s letter*)

On the occasion of shaitaan’s expulsion from the heavens, he supplicated to Allah Ta’ala with a number of requests. One of the tools for his trade of deception for which he made dua was ‘TRAPS’. Allah Ta’ala, granting his dua, said: **“Your Traps will be women.”**

Iblees was unable to contain his joy and delight. He tripudated and ululated with joy for having acquired such potent Traps with which to ply his trade of deception, fisq, fujoor and kufr.

All these women mentioned in the letter are among the Traps of Iblees. While they labour under the impression of being Muslims, they are in reality kuffaar – satanic kuffaar – worse than born kuffaar. All the shameless activities described by the brother are haraam. Never is it permissible for Muslim females to participate in these so-called ‘deeni’ talks, etc.

Allah Ta’ala has not created women for the satanic role which these Snares of Iblees are promoting. These women are adulteresses. They are bereft of Imaani haya. They are agents of Iblees. They masquerade as Muslims while they were born evil, hence evil is their profession.

Furthermore, they are Signs of Qiyaamah. Rasulullah (Sallallahu alayhi wasallam) said that among the Signs of Qiyaamah will be *“the pursuit of the dunya with the amal of the Aakhirat.”* These munaafiqaat masquerading as Muslimaat, utilize the Deen as a front to camouflage their satanic nafsaniyat. Their objective is crass nafsaniyat.

Women who have some fear in their hearts will not participate in the Rubbish activities of these Rubbish Traps of Iblees. Women who have genuine Imaan in their hearts will submit to the Command of Allah Ta’ala to *“remain glued in your homes”*. The munaafiqaat adulteresses are emulating their western kaafiraat counterparts in the immoral satanic art of exposure and self-exhibition. They are immoral Rijs (Filth). They have been created to be fuel for Jahannam.
