UNIVERSITIES, THE WORST AND VILEST HAUNTS OF KUFR AND ATHEISM

BY A UK MAULANA

As-Salaamu' Alaykum,

You'll note that the apostates mourning the death of the openly gay "Imam" and sending him Du'as are mainly doctors and professors as per the document: "Centre of Contemporary Islam."

But when we warn that secular academia, particularly at a brothel called university, is a fertile breeding ground for apostasy, there is uproar and rabid frothing at the mouth from Muslims who live for this dunya and think that rizq is inextricably linked to the brothel. This is no different to a prostitute who thinks her rizq is linked to prostitution.

Muslims will ignore the fact that universities actively negate the Causer of causes (*Musabbibal Asbab*) from every equation. "Muslims" graduate from Islam to atheism. They think they can save lives and extend them, whilst affording divinity to man made rules, philosophies, ideologies and laws. They will come out believing in indiscriminate contagion and take science as their Lord.

This is in addition to the major sins of intermingling of the sexes, fornication, drugs, music, debt, interest-based loans & parties that Muslims are exposed to.

Shaytaan deceives all these Munafiqeen (posing as Muslims) that in this era of decadence they have the requisite Imaani fortitude to save themselves from all of these sins.

These morons implicitly afford themselves a status superior to Yusuf Alayhis Salam. What did this noble Nabi say when faced with the temptation of zina: *“And I do not acquit myself. Indeed, the soul is a persistent enjoiner of evil, except those upon which my Lord has mercy. Indeed, my Lord is Forgiving and Merciful.”*

In another verse in the same Surah: *“And she certainly desired him. And he had desired her - had he not seen the proof from his Lord (he could have indulged). This We did to turn away from him evil and lewdness. Surely, he is among Our chosen slaves.”*

And in another verse Yusuf Alayhis Salam, as a Nabi petitions Allah to save him, despite the fact that a Nabi would never engage in zina. What did He Alayhis Salam say: *"My Lord, the prison is dearer to me than what these women invite me to. And unless You do not turn their guile away from me, I shall get inclined towards them and shall be among the ignorant."*

But Muslims today lacking Taqwa and Tawakkul, believe that the preordained rizq will not reach them without attending the universities of the kuffar. The consequence in many cases is that they graduate having lost their Imaan.

In this instance of the Imam of Qawm-e-Lut, over 200 academics lost their Imaan by expressing their concomitance, acquiescence and happiness with kufr.

May Allah Ta’ala grant us the ability to protect the treasure of Imaan at all times.
