## BOGUS UUCSA'S PUBLICITY – SEEKING 'AL-AQSA WEEK' STUNT

Another nonsensical gimmick designed by the Munaafiqeen such as Bogus 'uucsa' and its ilk has been dubbed 'Al Aqsa Week' by these deviates who seek to thrive and keep their heads in the limelight with stunts of deception organized in the name of Islam. Seeking to gain publicity from the suffering of the Palestinian Muslims, these morons have coined their stupid stunt, 'Al Aqsa Week'.

On which *Nass* of the Qur'aan or Hadith or principle of the Shariah have these deviates fabricated their stupid advertising stunt? From whence did these deviates and shaitaani *Mudhilleen* acquire the concept of such periodic – week-day-year – stupid celebrations, stupid 'initiatives, etc.? These miserable characters are following the kuffaar right into the 'lizard's hole' in their emulation of the kuffaar. Such emulation is to gain cheap publicity to enable them to keep their heads above the surface of the quagmire into which they are sinking to their destruction.

"Seeking Help" from Allah Ta'ala is not possible by imitating stupid kuffaar methods. The Help of Allah Ta'ala is the effect of Sabr and Taqwa. When Bani Israaeel was persecuted and tens of thousands of their babies were slaughtered by Fir'oun, they were not instructed by their Nabi to observe a stupid act of remembering their misery on a specific day or for a week. What did the Nabi say? Hadhrat Nabi Musaa (Alayhis salaam) commanded them:

*"Seek aid from Allah and have Sabr, for verily the earth belongs to only Allah. He bestows its*

*sovereignty to whomever He wills, and the ultimate victory is for the Muttaqeen.*  
*(The people of Taqwa)."* (Al-A'raaf, Aayat 128)

Allah Ta'ala showing us the way of obtaining His *Nusrat* (Aid), commands us in the Qur'aan Majeed: *"Seek aid by means of Sabr and Salaat."* (Al-Baqarah, Aayat 45). Emphasizing the method for gaining His Aid, Allah Ta'ala says:

*"O People of Imaan! Seek aid with Sabr and Salaat.*  
*Verily, Allah is with the Saabireen."*  
*(Al-Baqarah, Aayat 153)*

The help of Allah Ta'ala – the Help which is imperative for the protection of Muslims is never acquired by becoming apes and baboons following and adopting the stupid methods of show and ostentation of the Yahood and Nasaara whom the bogus uccsa characters are bootlicking. Following the methods of the kuffaar is to follow in the footsteps of Iblees. Warning us of such vile following, the Qur'aan Majeed states:

*“Do not follow in the footsteps of shaitaan. Verily, he orders with only immorality and evil.”*

The suffering Brethren have to be remembered at all times, daily and throughout the year. There is no stupid setting aside a week for remembering them. These stunts are merrymaking publicity seeking stunts – snares of Iblees – to ensure that Muslims remain secured in their emulation of the kuffaar.

These uccsa villains are the very same munaafiq characters who had closed the Musaaajid, suspended and cancelled Jumuah and the Fard Salaat. They are the same miserable lot of munaafiqeen who went to the kuffaar court, bootlicking the court, to order the closure of all the Musaaajid. They are the very same miserable clique of *shayaateenul ins* (human devils) who had introduced and promoted a host of kufr covid protocols.

They seek to bamboozle and deceive Muslims by adding a bit of ‘deeni’ flavour to their drivel with some aayat or a deeni term. They have no real affiliation with the Deen. They are the munaafiq louts who bring kuffaar politicians into the Musjid, then usher them into the first Saff and even to the mimbar to give stupid talks to the stupid musallis gathered to listen Iblees acquitting himself with his deception and stupidity.

Muslims should not fall into the snares of these bootlicking characters masquerading as Muslims. They are among the worst enemies of Islam. They are worse than the Yahood and Nasaara. They are enemies from within. They silently gnaw and nibble at the foundations of Islam.

For the suffering Muslims, we are supposed to daily engage in heartfelt dua, silently and individually, not in any ostentatious display of stupid ‘solidarity’ in ways adopted from the kuffaar. Take the direction of Dua showed by Allah Ta'ala. Regarding Dua and the Way of Dua, the Qur'aan Majeed says:

*“Remember when Zakariyya called his Rabb such a calling which was silent.”*  
(Maryam, Aayat 4)

Call silently and fervently unto Allah Ta'ala in the middle of the night when others are sleeping. Do not fool and befuddle yourself with the ostentatious ways underlined by corrupt, self-deceptive intentions. The Dua must stem from the innermost recess of the hearts. Rasulullah (Sallallahu alayhi wasallam) said:

*“The Muslims (the Ummah) is like one man. If the eye pains, the whole body is affected.  
If the head pains, the whole body is affected.”*

This attitude of pain endures as long as the suffering endures. It is not a fleeting feeling to be advertised during a week assigned for stupid publicity stunts. The Qur'aan is replete with warnings to abstain from emulating the Yahood and Nasaara. This ‘Al Aqsa Week’ is an Ibleesi publicity-seeking stunt in emulation of kuffaar methodology.
