YOUTH PROGRAMMES – MENACE OF HOMOSEXUALITY

A WARNING FOR PARENTS

**THE YOUTH PROGRAMMES ORGANIZED BY SOME
‘DEENI’ INSTITUTES AND ENTITIES SUCH AS
DARUSH SHAITAAN (THE SO-CALLED DARUL IHSAN
OF DURBAN) AND AL HILAAL OF DURBAN, ARE
HOTBEDS AND FERTILE GROUND FOR HOMOSEXUALITY.**

In Islam there are no excursions, campings and outings termed ‘Youth Programmes’ which *bad-deen* (irreligious) molvies and other unscrupulous characters have introduced in the community to satisfy and gratify their inordinate nafsani objectives.

Groups of boys sleeping together away from home, in an atmosphere of merrymaking and camping, and under the supervision of villains who may be homosexuals, will develop the accursed satanic perversion of homosexuality which was the cause for the destruction of the nation of Nabi Lut (Alayhis salaam).

Recent revelations prove the veracity of our claim. This perverted satanic disease is prevalent on a wide scale in the youth of the community. Scoundrel molvis, ustaadhs and teachers in whose trust stupid and irresponsible parents entrust their young boys, gain perfect opportunity for fulfilment of their haraam perverted sex misdemeanours in activities described as ‘Youth Programmes’.

The Youth of Islam have to be trained to adopt the attributes of seniors, not the stupidities of merry making, frolicking, futility and shaitaanīyat which are the ingredients of these haraam Youth Programmes. Rasulullāh (Sallāllāhu alayhi wasallam) said:

“The best of your youth are those who emulate the aged, and the worst of your aged are those who emulate your youth.”

The *ta’leem* of Islam for the youth is not indulgence in sport, futility, play and amusement which characterize these shaitaanī Youth Programmes. The *ta’leem* is to create in the youth of Islam the love for Jihad and the Sunnah, and this objective can never be realized by means of shaitaanī night-time youth programmes. The villainy and harms of these programmes are magnified manifold when the supervisors themselves are sexual perverts.

The ‘deeni’ façade given to these evil Youth Programmes is the satanic cover for camouflaging the satanism of these vile programmes. It is haraam for parents to allow their young boys to be in the company of males outside the home. It is haraam to allow the boys to sleep outside the home in merrymaking groups –making merry in the name of the deen while in reality indulging in shaitaanīyat and perverted acts of obscenity and immorality.

The recent exposure of the evils attendant to the Al Hilaal youth programmes, should be an eye opener for parents. This is not an isolated episode of shaitaanīyat in the name of the deen. Homosexuality is rife in all youth programmes. Molvis who organize such programmes should immediately come under suspicion.

A sign of a sexual pervert molvi/ustāadh is his crave for youth programmes. The very first factor to alert parents of the homosexuality danger, is the participation of a molvi or ustāadh in the programme. The second sign, is sleeping outside the home. Thus, scoundrel Youth Programme organizers and supervisors with groups of boys in a merrymaking setting, in the bush at night time are the satanic allurements for the promotion of homosexuality.

SAVE YOUR CHILDREN FROM THE TENTACLES OF IBLEES!

Rasulullāh (Sallāllāhu alayhi wasallam) said: *“O seek refuge with Allah from an evil moment and an evil companion.”*
