? **‘ashraful aid’ HARAAM METHODS OF FISQ & FUJOOR**

Regarding the haraam methods of fisq and fujoor of the entity called ‘*ashraful aid*’, a Brother voicing his concern, states:

As Salaamu Alaikum wa Rahmatullahi wa Barakatuhu,

“ I would like to bring to your attention and to the public's attention that the organisation Ashraful Aid may have good intentions but they're really ruining the akhlaaq (Islamic moral character) of our sisters.

1. They prepare iftaar burger meals at their different venues, they encourage the women to come out to make merry. There's no segregation and many times men are also present, Molana Suhail should have learnt that the Quraan Majeed commands women to remain glued in their homes. I've personally noticed the way the women carry on and in Ramdhaan it's shameful the way they dress. The meal initiative is throughout the year.
2. Molana Suhail has pictures of people and posts videos of himself on a continues basis.

3. To be honest the Ashraful Aid organisation is just there to make money, soliciting Zakaat funds and using the front showing people the amount of work they're doing.
4. Honestly, I encourage my friends not to donate towards them.

COMMENT

Among the Signs of Qiyaamah is female lewdness and males capitalizing on the immoral designs of lewd women. Women who participate in these haraam so-called 'iftaar' parties display their zina inclinations. Only women absolutely bereft of Imaani Hayaa are able to project themselves in public to make an exhibition of Jaahiliyya of themselves.

The fussaaq and fujjaar males who organize such vile, haraam 'iftaar' parties in the name of charity are destined to be denizens of Jahannam. This is *Aakhiruz Zamaan*, hence such fisq and fujoor will become incrementally preponderate and will become acceptable and even respectable. Shaitaan is clearly in charge.

Rasulullah (Sallallahu alayhi wasallam) said that a woman who applies perfume and passes by a gathering of males is like an adulteress. Nowadays, it is not only an issue of perfume. These latent prostitutes at the instigation of fussaaq and fujjaar men, emerge into the public domain dressed and adorned like prostitutes to satisfy their immoral instincts. And all of this immoral villainy is conducted in the name of the Deen, hence 'iftaar' party when in reality it is the Party of Iblees. This is in line with the Hadith which informs us that in the era in proximity to Qiyaamah, the dunya will be pursued and acquired under Deeni cover. One such haraam, shaitaani cover is 'iftaar' party. Another satanic camouflage is mass 'itikaaf' functions; another one is jalsahs – all advertised in the name of the Deen whilst all are shaitaani inspirations and following in the footsteps of Iblees. The Qur'aan Majeed states:

*“Do not follow in the footsteps of shaitaan. Verily he is
your avowed enemy. He instructs you only with evil
and immorality and that you utter about Allah
what you know not.”*
