ZAHEER RAGIE – A HIDDEN SHIAH AGENT OF IBLEES

This Iblees in human form disgorging pure drivel to mislead the ignorant and unwary, said in his Eid talk:

“The ummah irrespective of what your beliefs will be, you will all and we will all unite under the banner of Imam Mahdi”

This statement is blatant support for kufr. The revolution initiated by Rasulullah (Sallallahu alayhi wasallam), and the massive political upheavals wrought by the Sahaabah under the command of Rasulullah (Sallallahu alayhi wasallam) pivoted on **BELIEF (AQEEDAH)**.

Yesterday Muhammad (Sallallahu alayhi wasallam) was Al-Ameen (The Honest One) for the Mushrikeen of Makkah. Today, the moment he declared the BELIEF of Islam –Tauheed – he is labelled al-kaathib (the liar), etc.

The Roman empire and the Persian empire, the then superpowers, were confronted, and crushed, and tens of thousands of people were killed and injured in the battles of the Sahaabah against the kuffaar on only one basis, and that was **BELIEF (AQEEDAH)**.

There was absolutely no motive and no objective for Rasulullah (Sallallahu alayhi wasallam) and the Sahaabah for all the wars they conducted other than raising the glory of **BELIEF – Tauheed**. The fight with the nations of the world was motivated by only one objective, and that was the establishment of the **ONE BELIEF** for which Allah Ta’ala appointed Muhammad (Sallallahu alayhi wasallam) to be the Rasool. Everything was for establishing **BELIEF** – the one

and the correct Belief. Thus the statement: ‘**irrespective of your belief**’ is Kufr – kufr disgorged by the Ragie agent of Iblees.

Regarding **BELIEF**, the Qur’aan Majeed declares and commands:

***“Fight them (the kuffaar) until there remains no
Fitnah and all Deen (Belief) becomes for only Allah.”
(Al-Anfaal, Aayat 39)***

All the confrontations of the Sahaabah with the kuffaar was based on only **BELIEF**, and nothing else. Thus, to dilute or minimize the imperative importance of **BELIEF**, and to present a case for setting aside the difference of Imaan and Kufr, is a subtle indoctrination of kufr. Belief can never be diluted nor can its importance be minimized by even one iota

The ‘imam mahdi’ of the Shiahs is not Imaam Mahdi (Alayhis salaam) of the Muslim Ummah. Shiahs are not part of the Muslim Ummah. They are a religious community apart from Muslims. Islam is not divided into Shi’ism and Sunni’ism. This is a grievous misconception and misnomer committed by even senior Ulama. Islam is not divided into two Shiahs and Sunnis. Islam consists of only Muslims, not of Shiahs.

Furthermore, Rasulallah (Sallallahu alayhi wasallam) said that his Ummah will split into 73 sects, all of which, except one, will be in the Fire of Jahannam. Thus ‘sectarianism’ has existed and will always exist. It cannot be wished away with stupid ‘unity’ slogans devoid of substance. Only those who strictly follow the Sunnah of Rasulallah (Sallallahu alayhi wasallam) and the Sunnah of the Sahaabah will be the Sect of Salvation. All others are destined and doomed for Hell-Fire according to Rasulallah (Sallallahu alayhi wasallam).

The slogan of Shiah-Sunni unity is pure *shaitaan*. It is an inspiration of shaitaan which he urinates into the brains of his agents such as Zaheer Ragie. Sympathy and support for the currently aggressed Iran is not reliant on conflating the kufr beliefs of Shiahs with the Aqeedah of Islam. There should be absolutely no doubt regarding the kufr of Shiahs. Shiahs are kuffaar just as the Yahoood, Nasaara and Hindus are kuffaar. But prevailing political circumstances do not preclude sympathy for Iran. We have explained this issue in greater detail in our forthcoming issue of *Al-Haq*.

However, the friends and supporters of Shiahs are endeavouring to the current aggression against Iran to subtly dilute Muslim opposition to Shiah beliefs, hence these miserable copro molvis of Ragie’s ilk are subtly and stupidly

endeavouring to indoctrinate ignorant Muslims with the poisonous beliefs of the Shiah.

The ‘mahdi’ of Shiah is not Imaam Mahdi (Alayhis salaam) in whom Muslims believe. The Shiah mahdi is an 8 year old boy who had disappeared some centuries ago and who is in concealment in a cave where he has what they claim the ‘original’ Qur’aan which will displace our Qur’aan Majeed when their mahdi makes his appearance. The Shiah belief is that our Qur’aan – the Qur’aan which was revealed to Rasulallah (Sallallahu alayhi wasallam) is the fabrication of the Sahaabah whom they claim, became murtaddeen after the demise of our Nabi (Sallallahu alayhi wasallam). How is it ever possible for Muslims to unite in belief with Shiah?” How is it ever possible for Muslims to find accommodation for the abhorrent beliefs of Shiah?

Ragie excreted copro nonsense from his mouth with his claim that Muslims and Shiah will be united under the banner of Imaam Mahdi (Alayhis salaam). Did this miserable copro molvi receive Wahi for making such an arbitrary, sweeping false claim? Those who hate the Sahaabah – those who claim that the Sahaabah are murtadd, can never be under the banner of Imaam Mahdi (Alayhis salaam).

Our stance germane to the current war is crystal clear. There is no ambiguity in it. There is no zig-zagging, beating about the bush. There is no currying for anyone’s favour. Despite the abomination of Shi’ism, we do not condemn Iran for its bold and valid stand against the brutal Yahud and Nasaara. However, indulgence in futility is not our occupation. No amount of sympathy of laypeople will assist Iran in the fight against the evil US and Israel, and no amount of anti-Shiah comments and articles we may publish will harm or damage or weaken the Iranian defence against the oppressors.

If there was any Islamic state – and there is none today – then given the circumstances, it would have been necessary for the Islamic state to militarily aid Iran. Obviously, such aid cannot be forthcoming from ordinary people. Hence, it is stupid and futile for these morons to even raise the issue in their talks which are in fact designed to dilute the Aqeedah of Islam.

The jaahil Ragie screams: “Stand with the oppressed!” In which way should ordinary people stand with the oppressed Shiah of Iran? Can Muslims here in South Africa or anywhere else militarily assist Iran? If this is not possible, then abstain from talking bunkum and from excreting copro advice and from misinterpreting Ahaadith to suit your sinister Shiah objectives.
