ANOTHER ‘thikr-islaahi’ STUNT PROGRAMME OF BID’ATIS

Question
On 22 November 2026 a ladies islaahi/thikr programme has been organized at 22 Eugenia Street, Malabar, Port Elizabeth. One Molvi Ismail Mia will be at the head of this programme. Is such a programme permissible for ladies?

Answer
In fact such a programme is not permissible for even men. This is a stunt-bid’ah programme of miscreant bid’atis. When it is not permissible for women to attend even the Musjid for Fardh Salaat, how can it ever be permissible for these lewd aunts to leave their homes in violation of the Qur’aanic Prohibition to participate in a bid’ah programmed inspired onto the vermiculated brains of miscreant bid’atis?

The Molvi is an opportunist deviate seeking fulfilment for his nafsaani objectives. The programme is HARAAM. It is Haraam to participate in this stunt in any way whatsoever.

These kinds of shaitaani and nafsaani stunts in the name of the Deen are on the increase. We are living in an age which is close to Qiyaamah, hence these nafsaani stunt programmes will be incremental.
