THE ATHAAB OF ALLAH CAN BE AVERTED ONLY BY MEANS OF INAABAT AND NOTHING ELSE

A Concerned Brother sent the following Lament:

URGENT WARNING We are on a serious time bomb*

Moulana Lambat from Nigel made an urgent call to everyone NOT to become self absorbed, complacent and blind to the under current which is now sweeping and engulfing our country.

Maulana runs 20 centre's where free education, clothing, food, etc is given to the people. (1) They were in a Township called Kingsway at the Musjid doing the final touches to complete it. A mob of locals were walking pass this Musjid .

They stopped at this Musjid and told them: "**We are coming to break this building down !**"

One of the builders who was present at that Musjid then said: "We are South Africans and not foreigners. Our grandparents helped and assisted in the struggle!"

This mob then said: "It doesn't matter. We are coming to break this building down !"

They had pack up all their tools, remove the building materials, builders and shutdown this project.

Foreigners are being used as an excuse to attack the minorities in our country.

(2) There was a march in Benoni Town . This mob sprayed on the sign boards: "We don't want Muslims here!"

The ZIONIST GENOCIDAL NAZI'S TERRORISTS MURDERERS RACISTS RAPISTS KILLER'S ARE CREATING THIS UPHEAVAL!!!

The apartheid regime used the same tactic during their reign in our country.

Remember every minority group irrespective of religion will be affected.

We have to wake up and prepare to protect one another as we did in 2021.

(End of the Brother's lament)

COMMENT

We were supposed to have woken up from our slumber of villainy, vice and shaitaanियuat ages ago. It may now be a bit late! Snug in the bounties awarded to Muslims by Allah Ta'ala, the community proceeded recklessly in fisq and fujoor. The good worldly state provided to Muslims by Allah Ta'ala, was wrongly interpreted.

Muslims saw safety and protection in bootlicking the kuffaar politicians without understanding that the superficial 'safety' and comforts they are enjoying are *Istidraaj* – respite granted by Allah Ta'ala – respite which is the prelude to calamity. One form of the calamity is unfolding today in front of us. Regarding the prelude Respite, the Qur'aan Majeed states:

“When We intend to destroy a town (city or country), We command the opulent ones of the town (i.e. give them respite). Thus do they indulge flagrantly in sin in the town. Then Our Decree (of Punishment) becomes justified for them. Then We utterly annihilate them.”

(Bani Israaeel, Aayat 16)

The Athaab of Allah Ta'ala is unfolding. While perhaps it may be too late for the acquisition of the help of Allah Ta'ala, Muslims should still have hope. But the effect of valid hope is true *Inaabat Ilallaah*, that is to sincerely repent, reform, abandon all the evil indulgences and resolve to obey Allah Ta'ala by submitting to His Shariah and adopting the Sunnah. And of great importance is to give the boot to all these zindeeq molvis who see safety for Muslims in bootlicking kuffaar politicians and in their kufr interfaith dalliances with the enemies of Allah Azza Wa Jal.

It is unintelligent to assign the blame for the current anarchy to the Zionists and the like. What the Zionists are plotting and doing are in reality the consequences of our misdeeds and treason against Allah Azza Wa Jal. The Qur'aan states with clarity That Allah will not change our condition as long as we do not change the rot and filth within us.

“Fasaad (anarchy, strife, corruption) has appeared on earth and the ocean as a consequence of what the hands of people have perpetrated, so that He (Allah Ta'ala) gives them to taste some of the (evil deeds) which they have committed, for perhaps they may return (to Siraatul Mustaqeem).”

(Ar-Room, Aayat 41)
