THE SCOURGE OF CHILD SEXUAL MOLESTATION

The evil of the *shaitaaniyat* of sexual molestation of children, boys and girls, by people of Trust (maktab teachers and molvis) is incrementally being pulled from under the carpet for public display. While the maktab/madrasah/tabighi institutions sweep these vile occurrences under the carpet, others, especially those who are antagonistic towards these institutions, derive much glee and pleasure from advertising the rot.

Some are genuinely concerned about the evil commissions and the enduring moral damage caused to the children, while the motive of others for advertising the filth is to score points by humiliating the authorities of the institutions where the *shaitaaniyat* is perpetrated.

The Majlis has been receiving some reports pertaining to the scourge. The desire of those who are making the revelations generally is that we should expose and humiliate the institutions where these vile acts of *shaitaaniyat* have been perpetrated.

It is necessary to understand that the function of *The Majlis* is not to humiliate anyone or any institution. On the contrary, when exposure serves no beneficial purpose, but is designed to humiliate, then it is not permissible to expose and disgrace.

The root cause for the evil and satanic villainy consists of three elements, viz. parents, maktab authorities and the teachers. All of them are complicit in the abuses and ruin of the morality of children. Parents are the first wrung in the ladder of the *shaitaaniyat*. They entrust their little daughters to persons who will

be manipulated by the nafs and shaitaan to perpetrate the horrendous crimes. Then comes the madrashah/maktab/school authorities who accept little girls to be with male ustadhs. Then the third tier of the villainy is the teacher who commits the ultimate act of immorality for which the parents and institution's authorities had paved the path.

Since all three elements are responsible for the rot, there is no benefit and no goodness that can emanate from exposure. As long as the pathway for *shaitaan* is being paved, there will be no solution. And, since *The Majlis* is not a newspaper concerned with futile reporting and exposing the rot of the community, we shall in future not entertain any such information. We request that information pertaining to the *Scourge* should not be sent to us. We have neither leisure nor pleasure for being made aware of the Satanism for which parents, teachers and madrasah authorities are all culpable.

Address the roots of the problem. Keep your daughters at home. Organize neighbourhood maktab to be run by females. Beware of teachers/ustadhs and the like who take boys for outings and sport jaunts. They are all agents of Iblees. They are slaves of bestial lust. What has happened to the brains of parents? The corrosion of their brains has blinded them to the reality of the scoundrel molvis who take their young lads for excursions and nights of outings. Only parents who are themselves under the influence of shaitaan cannot find wrong and villainy in their young boys sleeping out in the company of other boys and under the supervision of a scoundrel. A molvi who is involved in such shaitaani jaunts is a real scoundrel. Under deeni guise they befuddle the brains of ignorant parents who allow their young sons to become the victims of the predating scoundrel molvis whose beards and kurtahs serve to camouflage their sinister bestial agenda underlying these shaitaani jaunts of sport and nafsaani pleasure. And, the *shaitanaiyat* is perpetrated under cover of a smattering of deeni hue.

***THE MAJLIS WILL NOT BECOME EMBROILED IN THE
SORDID MESS OF IMMORAL CRIMES IN WHICH PARENTS,
MADRASAH AUTHORITIES AND TEACHERS ARE ALL
COMPLICIT.***
