KUFFAAR INVITED IN THE MUSJID TO PONTIFY TO MUSLIMS

Question

A kaafir, George Galloway of UK has been invited by a modernist Bid'ati group to address Muslims in their Musjid in Robertsham. The name of the Musjid is Uwais Qarni Masjid. Is it ever permissible to allow a kaafir into the Musjid on Jumuah to give a talk to the musallis? He is a liberal politician from UK and will probably be speaking on Palestine.

ANSWER

Neither brains nor knowledge is required to understand the evil of inviting kuffaar into the Musjid. While this is haraam, the talk by the kaafir inside the Musjid is compounded evil. It is indeed shockingly appalling, but not surprising.

Villainous misdeeds of this type are only to be expected nowadays, especially by those whose ideology permits grave-worship. The chaps in charge of the Musjid are hardcore *liberal* bid'atis. Their religion is a blend of modernism, liberalism, and *qabar puja* (grave-worship). Since they are addicted with the vices of bid'ah and kufr, inviting the kaafir into the Musjid to address Muslims is really not surprising.

IT IS HARAAM:

- **TO ALLOW THE KUFFAAR INTO THE MUSJID**
- **TO ALLOW A KAAFIR TO DELIVER A TALK IN THE MUSJID**
- **TO SIT AND LISTEN TO THE PONTIFICATION OF THE KAAFIR**

Those Muslims who have any valid perception of the meaning of Imaan should not be present for Jumuah Salaat at the Musjid which will be defiled with the presence of the Napaak chap from the UK.

The presence of kuffaar inside Musaajid is also a Sign of Qiyaamah. It is precisely for such villainy perpetrated by Muslims that Allah Ta'ala is allowing the Yahood to enter into Musjidul Aqsa and to defile its sanctity.

The prelude for kuffaar entry into the Musaajid is the defilement of the sanctity of the Musaajid by Muslims themselves.
