MORON BOOTLICKING ADVICE

A MORON ADVISES TO LICK THE FILTHY FEET OF SOLOMON, THE FAASIQ-FAJIR

A Concerned Brother writes:

Over the past weekend, there was a conference held by Jamiat fordsburg called the 'Southern African Ulama Forum'. Many of the speakers therein were those who openly intermingle with females, they flaunt Ghair mahaarim women on Radio and TV, photography, and also are involved in the farce of 'Islamic Banking'. These are the usual problematic issues that are spoken about.

But we wish to draw your attention to something more disturbing, and on which we ask you to comment.

The closing session was conducted by Mufti Sulaimaan Moola, unfortunately he is embroiled in many fitan openly. He openly displays himself in mixed gathering with Ghair Mahaarim women, he attends the RIS conference in Canada, that is mixed, filled with music, he also Rubber-stamped the interpolation of the tafseer of Surah Kaafiroon in the Tasheel series by Jamiat fordsburg. He has openly opposed the Naseehah of his Asaatiza, Ml Shabir Saloojee Saahib and Mufti Rizaul Haqq Saahib and others regarding the appearing on television, he also attends Moulood gatherings.

After Mufti Sulaimaan Moola had presented the closing speech at the

conference, a MI Saeed Umar of Zambia who was the MC had the following comment:

"... today I can say By the oath of ALLAAH, Wallahi, Wallahi if you want to learn the Uloom of Hadhrat Thanwi رحمه الله عليه, the students and the Ulama, we'll have to bow down at the feet of Hadhrat Mufti Sulaimaan Moola, I say this with conviction, if you want to learn the Uloom of Hadhrat Thanwi رحمه الله عليه, you'll have to bow down at the feet of Hadhrat Moulana Mufti Sulaimaan Moola دامت بركاتهم"

I find this to be a great disservice to the name of Hadhrat Hakeemul Ummah رحمه الله عليه.

In action, Mufti Sulaimaan Moola's actions are diametrically opposed to the life and teachings and Ihtiyaat and Taqwa of Hadhrat Thanwi.

OUR COMMENT

There is not much for commenting. It is simply one jaahil praising another jaahil who excels in fisq, fujoor and kufr. The Solomon character is an agent of Iblees. The chap who licked his boots is another agent of Iblees. His jahaalat is staggering hence he advises licking the napaak/impure/filthy/ putrid feet of a jaahil who has bartered away his Imaan for the jeefah (carrion) of the world.
