PROGRAMMES OF PROSTITUTES ON THE INCREASE *OPERATING THEIR EVIL UNDER ‘DEENI’ COVER*

Under the false ‘seerat’ cover, women are increasingly entering the public domain to display their prostitutinal tendencies. Launching their ‘women’s forms, reciting their deceptive ‘million’ durood, their nafsani speech contests and the like are all stunts and snares of Iblees.

Women are the most potent snares of shaitaan. On the occasion when Allah Ta’ala had expelled Iblees from the heavens, he (Iblees) supplicated for the implements he will be requiring to ply his trade of deception on earth. Among his supplications was his request for **traps**. Granting his request, Allah Ta’ala said: *“Your Traps will be women.”*

On hearing this wonderful gift, shaitaan tripudiated in absolute joy and delight. The granting of women as Traps brought the greatest degree of satisfaction and joy to Iblees. Now he was ready to conquer the world with these Traps – the Prostitutes who will be masquerading as a respectable species of mankind.

All of these women who emerge into the public domain under some ‘deeni’ mask and guise are the Traps of Iblees. All are the helpers of shaitaan. They all lead people to Jahannam. Ignorant and unwary females become entangled

in the meshes of these Prostitutes who pose as ‘deeni’ personnel. They talk a lot of mullock in the name of the Deen.

Their motives are corrupt. They are prostitutes masquerading as guides. It is haraam for genuine Muslim females to participate in any of the programmes organized by these female devils. They are immoral and rotten to the core.

Female exhibition in a variety of forms will be incremental in the march towards Qiyaamah. This evil shaitaani trend is on the increase. Shaitaan has harnessed into his plot such women who are inherently prostitute in their nature. They are his best snares. Regarding these Traps of Iblees, Rasulullah (Sallallahu alayhi wasallam) said:

“A woman who applies perfume and passes by a gathering is like an adulteress.”

They are absolutely shameless, bereft of the slightest vestige of Imaani Hayaa. Their programmes are predatory zina strategies. They plunder the morals of others with their crude display of shaitaaniyat and nafsaniyat. It is clear that they have been created to be fuel for Jahannam.

While Allah Ta’ala has created woman for the home role, these filthy street females make an exhibition of themselves with their public appearances in flagrant and blatant violation of the command of Allah Ta’ala:

“(O women!) Remain glued within your homes and make not a display of yourselves such as the Exhibition of Jaahiliyya.”
(Qur’aan)

All their outdoor, street programmes are exhibitions of Jaahliyyah plastered with a thin ‘deeni’ appearing veneer to beguile, befog and hoodwink ignoramuses.

When Rasulullah (Sallallahu alayhi wasallam) said that the best Salaat of a woman is her Salaat in the remotest corner of her home, what should be the commentary on the vile public programmes and forums of these ugly prostitute aunts who masquerade as Muslims? They were born for the Fire.
