UK Ipswich Ijtema Further Exposes Schism in Tableeghi Jamaat & Fallacy of Muqabala Call by Molvi Fazlur Rahman Aazmi

Allah Ta'ala mentions in the Glorious Qur'an:

“Fasaad (anarchy, strife, corruption) has appeared on earth and the ocean as a consequence of what the hands of people have perpetrated, so that He (Allah Ta'ala) gives them to taste some of the (evil deeds) which they have committed, for perhaps they may return (to Siraatul Mustaqeem).” (Surah Al-Room, Aayah 41)

Sayyidunna Hasan al-Basri rahimahullah narrated:

“Your leaders are your deeds.”

In the UK, a national Ijtema is being organised in July 2026 in Ipswich, ostensibly to allow Tableeghi Jama'at Brothers to attend with ease, at a grand lavish out-of-town setting, under pretext of not falling foul of Local Authority Regulations.

In reality, this is a red-herring and a continuation of the hideously foolish, irresponsible, expensive, wicked and unnecessary 'cold war' between Nizamuddeen (inc Dewsbury Markaz, Molvi Saad, Molvi Fazlur Rahman Azmi) and Raiwind (Aalami Shoora & Ex Dewsbury Molvis - all students of Molvi Fazlur Rahman Azmi).

The latter is a chameleon spreading *fitna* and *fasad* wherever he goes.

The ordinary Tableeghi Jamaat Worker, are all viewed (and willingly act) like expendable pawns; expected to travel over 200 miles by coach to a remote English Stately Manor...synonymous for debauchery and with once having tried to invite the Clown President Trump to visit - whilst the 'fat-cats' will arrive by limousines and stay in luxury.

Recently, Molvi Fazlur Rahman Azmi is on record chiding the rival Aalami Shoora/Raiwind Molvis of having made their 'fortune' whilst in Nizamuddeen and then jumping ship to create an alternative power base.

He then calls for a '*Muqabala*' (confrontation) in much the same way he designated Ulama of Haqq as 'Khawarij' and called for their liquidation.

He who was silent and anonymous, despite repeated requests, upon the gruesome anti-freeze poisoning murder of a UK Muslim Mother (*rahimahallah*) in Kenya by his Khaleefah and then tried to orchestrate a rebellion in Darul Uloom Azaadville is now decrying the treachery of former Nizamuddeen Molvis.

This is like the 'pot calling the kettle black.'

After wasting a staggering £1.5 Million Pounds in Legal Fees paid to Yahooodi/IOF aligned lawyers; Dewsbury Markaz is using an obscure setting 200 miles away in a non-Muslim locality to hold an Ijtema...after almost 50 years of holding much larger gatherings in Dewsbury.

Molvis Saad, Molvi Fazlur Rahman Azmi and a host of other Maulvis of dubious character and standing will be the highlights of this event - with the Bukhari Shareef Khatam from the moribund Darul Uloom Dewsbury Markaz thrown in as good measure in order to provide another layer of legitimacy.

Not to be outdone, former Students of Molvi Fazlur Rahman Azmi will be following his weird call for *Muqabala* by holding their rival Bukhari Shareef Khatam at their private Darul Uloom in Bradford on same date.

Unsurprisingly, Molvi Fazlur Rahman Azmi has delivered final lessons at both the Dewsbury Markaz Darul Uloom and Dawatul Imaan Madrasah in Bradford in recent past.

So which side and what type of *Muqabala* is he really advocating?

Is he just an opportunist, like almost all politicians and Bogus Molvis now, ready to switch allegiance whenever it suits?

He still clings onto the Azaadville label – now even camping at an alternative modernist venue there.

All modern day Jalsahs are money making ventures - where parents of *Talabah*, supposedly graduating at these *Khatams*, are blackmailed into funding the entire costs of the gluttony served at such events of self-aggrandisement.

It is of course coincidental (sic), that the visiting so-called bogus Crank Sheikhs, will all be recompensed for their attendance and first-class travel expenses - whilst the ordinary Tableegh Jamaat Worker will each need to spend a minimum of £100 in travel and meals.

Judging by reports of items being shipped to-and-from Muslim Conurbations to Ipswich; it would not be an exaggeration to assume UK Muslims collectively will be wasting yet another £1.5 Million Pounds in this *Muqabala*; at a time when Muslims are starving en-masse in Gaza, Afghanistan, Sudan, Yemen, Rohingya, etc.

It is not just Molvi Saad, Molvi Fazlur Rahman Azmi and the equally decrepit other Raiwind aligned Molvis who are thoroughly corrupt and misleading the Tableeghi Jamaat movement into destruction - those foolish brothers who view these events as an adventure and excuse to relive their youth are just as guilty.

It is therefore too much to expect Tableeghi Jamaat brothers to boycott such stunts and rather spend their time and efforts to call UK Muslims towards their local Masajid for Fardh Salaah and to implement *Ta'aleem* of Deen into their own lives, homes, families and neighbourhoods.

These grand Ijtemas are like the Roman Circuses and modern-day sporting events; all televised in the build-up and execution to keep a foolish and irresponsible public occupied under guise of Deen; to divert and distract them from the private battles, power struggles and agendas of these Bogus Molvis and Fake Sheikhs.

At a time when, daily, UK Masajid are being attacked and where, due to pacifism, bootlicking and cowardice, a single Kafir trespasser is able to walk with his shoes unchallenged and place items on the Mimeter of large Masaajid and taunt the community...one must question the wisdom of publicising and holding any gathering, anywhere in the UK?

The need of the hour is for UK Muslim men to frequent their local Masajid and organise their defences in preparation for the inevitable further animosity and attacks.

The Glorious Qur'an commands:

'And prepare your defence.' (Surah Al-Anfal, Ayah 60)

The UK Jewish Community have armed guards at the entrances of their synagogues; constantly vigilant and, ready to ward off any attack or act of hostility.

Meanwhile, UK Masaajid and the community look askance at the Kuffar government to provide funding and kuffar manpower for defensive measures; rather than turn towards Allah Ta'ala (*Inaabat Illallah*) and dedicate their time and presence at their local Masjid.

We really have reached a low, when we are unable to arrange a rota system to have even a couple of Muslim brothers constantly guard our Masaajid/Madaaris with their presence and Ibaadah.

UK Muslim youth are now drowned in hedonism – they are only adept at and cannot see beyond a flashy car; kuffar style haircut and clothes; mobile phone; extra-marital contact, Haraam/doubtful take-away junk food, vaping, shisha, kuffar sports and apathy.

An entire generation of almost useless, decrepit, pampered, immature, cowardly, utterly selfish, unprincipled and undisciplined vagabonds only adept at blowing the family fortune and destroying the Deen.

The batten, which was handed down the generations from time of the Sahabaah *radhiyallahu anhum* has now not only been dropped, we have managed to throw it way, lot stock and barrel.

Forget about any *Muqabala*, we as a community cannot even tie our own shoelaces: "Naught's had, all's spent."

Our condition is like that of the Abbasids when about to be overrun and decimated by the Mongols; they totally capitulated and lost everything.

Belfast and other events in the UK show a 'pogrom' is a very likely scenario in the UK; there will be no police or anybody to assist us when the Whip and Athaab of Allah Ta'ala strikes.

Loyalist Protestants, Catholics and other Kuffar will all unite – one of the Armies of Allah Ta'ala - to totally annihilate and destroy the UK Muslim Community and seize their cars, businesses, homes, Masaajid, Madaaris, individual bank accounts and any stash of cash, jewellery or online assets.

European history shows, Muslims will be fortunate to leave the UK/EU alive.

Only a few days ago, overnight in Belfast, Muslims had to flee their burning homes and businesses with not enough time to pack even a suitcase.

Crank Sheikhs and people of means may try to flee to their overseas safehouses, but Allah Ta'ala warns us in the Glorious Qur'an:

"So worship what you will besides Him (Allah Ta'ala). Say, "Indeed, the losers are the ones who will lose themselves and their families on the Day of Qiyaamah. Undoubtedly, that is the manifest loss." (Surah Az-Zumar, 39:15)

"And our final statement is that all praise belongs to Allah, Lord of the Worlds."
