THE ‘COFFEE DUA’ OF THE MUSHRIK SHIAHS

A BROTHER WRITES:

Asalaamu Alaykum Wa Rahmatullahi Wa Barakatuh

I am not sure if it has been brought to your attention of the new Bid'ah Ba Alawi Coffee Dua - Na'ūdhu billāh. I've attached the poster for your perusal, do warn the many ignorant Ummaties as many are falling prey to their shenanigans thinking these people are of the Ahl as-Sunnah wal-Jamā'ah. May Allah Azza Wa Jal protect us all from these agents of Dajjal.

Our comment

The brains of these mushrik Shiahs are corrupted with Satanism, hence they have fabricated their shirk coffee dua. Their baatil dua is a pure fabrication inspired by Shaitaan.

Only such ‘ummaties’ will fall prey to the silly shirk coffee dua whose disgusting state of ignorance makes them fodder for the kufr and shirk plots of Iblees. A Muslim who has some degree of intelligence cannot ever have the slightest doubt regarding the stupid coffee dua of the mushrikeen.
