THE DECEPTION, CONFUSION AND SATANISM OF A MURTAD

An old shaitaani misguided chap from Stanger calling himself Ahmod Ebrahim Nakhooda, who has reneged from Islam to become a **MURTAD** in the camp of Iblees, is publishing some extremely stupid, confusing and deceptive views about Islam.

His copro opinions about Islam are so putrid and stupid that no scholarly rebuttal is necessary. His stupidity is laughable. The shaitaani chap says:
“Then, I met Jesus – the One who revealed the way of truth, and life. He changed me instantly!”

This Murtad had clearly met Iblees who came into his stupid dreams in the form of a ‘jesus’ whom the Mushrik Christians worship as god. The miserable character claims that during his early years as a ‘Muslim’ he had followed Islamic principles.

Anyone who had truly and genuinely followed Islamic Principles will NEVER become a Murtad to doom himself for eternal perdition in Jahannam. The issue is that this man and his likes were specifically created to be fuel for Jahannam. The Qur’aan Majeed states explicitly that *“Men and stones are fuel of Jahannam”*.

The people who are destined to be the fuel of Hell-Fire – people such as the Stanger Murtad – are atheists, **MURTADS** and the Mushrikeen such as Christians and other idol-worshippers.

When a professed ‘Muslim’ becomes a murtad then it should be understood that it is the decree of Allah Ta’ala, and that this vile murtad was created to be *Hasabu Jahannam* (Fuel for Hell). Thus, there should be no grief and no surprise. On the contrary, Muslims should feel relieved of being freed from a munaafiq by the person’s open abandonment of Islam.

Islam and the community are saved from a grave poison and harm when a shaitaan-follower from within throws of his concealing guard to become a declared Murtad. Murtads lurking in the community and masquerading as Muslims, are a great threat and danger for Muslims. Allah Ta’ala bestows a favour on the Muslim community by compelling the Devil from within to throw off his guard and declare his satanic identity.

There is no need for an academic refutation of the mullock and copro stupidities which the Murtad publishes.
