THIS IS THE ERA OF THE ULAMA-E-SOO'

A Concerned Brother writes:

“Something is troubling me with regards to Maulana Fazlur Rahman Azmi . While we Alhamdulillah try to InshaAllah have the *husne zann* (*holding a good opinion*) that he is still from the Ulama of Haq despite making some mistakes in recent times , he is still respected by most and followed by many. (*Your husn-e-zann is baseless. He is no longer among the Ulama-e-Haqq. His ‘mistakes’ are not mistakes. They are glaring acts of treachery and spiritual dacoity which are well-known internationally. –The Majlis*)

The problem is how can we continue having the *husne zann* of a senior Aalim who is an expert in Hadith and knows about honouring someone in open sin and what that does to Deen and yet still invites him to speak at his jalsa ? (*Divest yourself of your unfounded husn-e-zann. It is not proper to entertain husn-e-zann about a man who has palpably harmed numerous people via the agency of his shaitaani ‘khalifah’ whom he had condoned to the hilt. –The Majlis*)

To top it all, Mufti Zubair is being advertised as a senior khalifah of Maulana Hakim Akhtar Rahmatullah Alayh despite it being made clear that anyone on videos then khilafat is automatically cancelled from what I remember . (*This fact demonstrates and testifies loudly to the villainy of this man about whom you entertain husn-e-zann. The chap, Zubair who operates Darush Shaitaan in Durban is of the ilk of Fazlur Rahmaan. They are birds of the feather. He has shamelessly attempted to elevate the vile Zubair character despite his fraudulent claim of being a ‘senior khalifah’ when in reality he is bogus. –The Majlis*)

In my limited understanding the sad reality is that Maulana Fazlur Rahman is not the only Aalim who is on Haq who is taking this stance of being friendly with those Ulama that are involved in major wrongs (*of fisq and fujoor –The Majlis*), and I'm not even referring to young Ulama who don't know which side to follow or students who are becoming Ulama. Then what to say about the masses and the confusion or rather the danger it poses to them , the Ummah and Deen in general !

Another problem in South Africa is when senior Ulama on Haq come from overseas to our country and maybe not knowing the situation properly here they end up also mixing and going to venues of the Ulama doing many wrongs . How to solve this ?

Alhamdulillah, I remember the time when our Ulama were so strict that they would not attend a program of a Qari without a beard or read Namaaz behind him. But open sins by Ulama nowadays are just being allowed by other Ulama and not only allowed but they (*the fussiaq molvis—The Majlis*) are still respecting them ? JazakAllah Khairan”
(End of letter)

COMMENT

There is no solution for this shaitaani problem. The predictions of Rasulullah (Sallallahu alayhi wasallam) have to materialize, and such materialization is incrementally occurring in this current era in which there is a preponderance of Ulama-e-Soo'. Almost all the Ulama-e-Haqq are under the ground. The world is becoming increasingly bereft of Ulama-e-Haqq. Today is the reign of Jahaalat and shaityaanityat headed by the Ulama-e-Soo'. These vile molvis and sheikhs have even become reverends, swamis, pundits.

These molvis and sheikhs come fully within the scope of the Hadith in which Rasulullah (Sallallahu alayhi wasallam) said:

*“.....Their Ulama will be the worst under the canopy of the sky.
From them will emerge fitnah and the fitnah will rebound on them.”*

There are many Ahaadith explaining the evil and corruption of the Ulama-e-Soo'. When one looks at their evil misdeeds, one gains the impression that they are atheists. They are bereft of every vestige of fear for Allah Ta'ala, hence they are capable of so brazenly promoting their nafsaniyat and pursuing their worldly objectives under deeni guise.

Anyone who has some sound understanding will be able to recognize the villainy of these villains camouflaging themselves with deeni hues. Organizing Jalsahs is one of their potent snares. Then they have public halqah thikr programmes. They furthermore go to great lengths to lure women out of their homes to participate in their corrupt haraam jalsah and 'thikr' programmes.

These Ulama-e-Soo' are the *Hufaala* (*mullock/rubbish*) about whom Rasulullah (Sallallahu alayhi wasallam) said:

“The Saalihoon will depart (from this dunya) one after the other (in quick succession). Then will remain only the Hufalah such as the chaff (rubbish/waste) of dates or barley. Allah will have absolutely no care for them.”

Allah Ta'ala will not purify them. In general, they will not gain the taufeeq for Taubah. They will depart from this dunya messed in and wallowing in their shaitaniyat and nafsaniyat. May Allah Ta'ala save us all from His Wrath and from an evil death.
