THE FITNAH OF 'YOUTH' ENTITIES IS THE FITNAH OF MUNAAFIQ MOLVIS

A Brother from Zambia commenting on the Molvi Fitnah in Zambia, states:

"Amongst the many fires of fitna engulfing Zambian Indian Muslim Society perhaps amongst the top most spoken about are the padel fitna and the bizarre divorce numbers of newly weds.

At the fore of the fire fighting squad is a young molvi entity, hustling to and fro, arranging and hosting youth Azaan competitions, youth camps, naat programs, the latest was the following day and night out with Mufti Sulaiman Moola involving:

- An ''Informal outdoor therapeutic set up, meet and greet with our guest''
- Soccer tournament
- Food stalls
- Book launch of the ''life of Ameer Sb'' the late Ameer of Tabligh in Zambia.

Our predicament seems to mirror South Africa, both in terms of various Fitnas' and the resultant consequences thereof, namely the rising threat of an Israeli friendly, anti-Islam political regime and a growing anti-Islam sentiment amongst the local Zambian public amongst other adversities.

Please kindly advise on the Shariah's stance of these and similar attempts of the molvis to tackle an increasingly wayward and rebellious Indian Muslim community. JazakAllah.

(End of letter)

The *fitan* are incremental. These fitnahs are set to increase and become worse with the passing of each day. At the helm of the rot and moral corruption are

the agents of Iblees in the form of molvis such as the rubbish mentioned in the letter. The moral corruption and ruin of Imaan and destruction of Akhlaaq prevail throughout the Ummah in all countries.

Brother, there is no way of stemming the satanic tide which has been predicted by Rasulullah (Sallallahu alayhi wasallam). ***Fitnah*** is the salient feature of Aakhiruz Zamaan. Fitnah is heralding the advent of Qiyaamah.

The anti-Islam sentiments and movements are the writing on the wall forewarning us of great disasters to befall this Ummah rotting in the filth and disease of fisq, fujoor and kufr. Those who still have valid Imaan and are concerned with their Aakhirah, should discharge the obligation of Amr Bil Ma'roof Nahyi Anil Munkar regardless of acceptance or rejection by the masses.

The masses are all doomed for Jahanam. The Qur'aan Majeed states with clarity that the majority will be astray and kuffaar. Even those who profess themselves to be Muslims are in reality kuffaar. There are varieties of kuffaar. The Ummah abounds with kuffaar of the zindeeq and munaafiq categories. Genuine Muslims are today rare.

The molvis are rotten to the core. But for these agents of Iblees, Rasulullah (Sallallahu alayhi wasallam) expressed the greatest fear. He said:

"I fear most for my Ummah aimmah mudhilleen."

They are the *ghutha (rubbish)* molvis/sheikhs – they are these juhala masquerading as Ulama who are the lesser dajjaals setting the stage for the big Dajjaal. There are no greater and worse fitnah-mongers and fitnah-creators than these Rubbish molvis who are destined to circumambulate their intestines in Jahannam according to the Hadith.

The *fitan* are engulfing the Ummah with such rapidity as the beads fall from the broken string of beads. The fitan are unstoppable. It is the demand of the Approach of Qiyaamah. May Allah Ta'ala have mercy on us.
