THE MESSAGE OF KUFR & JAHALAT OF JAKHURA, THE AGENT OF IBLEES

A confused agent of Iblees representing the bogus entity, uucsa which falsely parades itself as the representative of the Muslim community of South Africa, Mr. Shafiq Jakhura who is currently on a merrymaking holiday under guise of a mock 'hajj', in a stupid shaitaani message from the Mubaarak City of Madinah Munawwarah urges the Muslims of South Africa to vote in a kufr dispensation.

In his stupid message, the jaahil, projecting himself as a mufti, says that the bogus body he is representing *"has launched a national community survey aimed at helping shape a stronger, more strategic future for our community."*

The present and the future of Muslims can be ensured by only total submission to the Shariah and adoption of the Sunnah. Only the Aid of Allah Ta'ala can make Muslims strong and honourable. Rasulullah (Sallallahu alayhi wasallam) said:

"Whatever is by Allah, is obtainable only by means of Itaa-at (Obedience)."

Our safe and honourable present and future can never be assured and safeguarded by any western/kufr model of politics, tricks and shaitaani stratagems. Allah Ta'ala declares with emphasis in the Qur'aan that *Izzat* is only from Him. It is not obtainable by means of bootlicking and adopting the *taaghooti* methods of the kuffaar.

The jaahil zindeeq further disgorges: *"This survey is not about telling people who to vote for. It is about ensuring that the concerns, values, and aspirations of Muslims in*

South Africa are heard and represented when engaging with political parties and national stakeholders.”

Despite being in Madinah Munawwarah, even the Mubaarak Grave of Rasulullah (Sallallahu alayhi wasallam) does not remind the jaahil that Allah Azza Wa Jal is in control of entire creation, and that nothing AND NOTHING, not an atom, nor the movement of an ant, occurs without the decree of Allah Ta’ala. The jaahil exhibiting his gross jahaalat although masquerading as a ‘mufti’ is scandalously ignorant of the Qur’aanic Aayaat:

*“And, not a leaf drops (from a tree) but He (Allah) is aware.
There is not seed in the darkness of the earth nor anything
moist or dry but it is recorded in a Clear Book.”*

*“Not an atom in the earth or heaven nor anything smaller or bigger
is hidden from your Rabb, but it is recorded in a Clear Kitaab.”*

The values, concerns and aspirations of Muslims have been elaborately described in the Qur’aan and Sunnah. The stupid concepts of the bogus entity representing Iblees are not needed by the Muslim community. The advice of bootlickers – those who lick the boots of the kuffaar politicians – is not needed by Muslims.

We shall be heard and protected only if Allah Azza Wa Jal hears and protects us. There is no succour, no protection and no honour for Muslims in licking the boots of the enemies of Allah Azza Wa Jal. Muslims have to learn how to engage with Allah Azza Wa Jal. Only then will there be *aafiyah* (safety and protection) for them. Allah Ta’ala warning us against looking elsewhere for *aafiyah* and *izzat* says in His Glorious Qur’aan Majeed:

*“If Allah helps you, no one can defeat you. But if He abandons
you, then who is there besides Him to help you.?”*

Besides Allah Ta’ala, there is no one and no political party, no government and no stupid ‘national stakeholders’ who can protect us from the calamities which are overhanging the Muslim community. The Writing on the Wall has long ago been there for us all to see, but it has been ignored. Now the morons of bogus entities are looking askance at the kuffaar politicians and obsequiously and fearfully licking their boots begging for protection, respect and honour. But the product of bootlicking is always humiliation

Making a mockery of himself, Jakhura the jaahil deviate says: *“If we don’t have a seat at the table, then we cannot make a difference.”*

Being at the ‘seat’ is an example of bootlicking and hindlicking. It is to lick the kuffaar and to beg them to protect us against their own plots and schemes which are designed for humiliating and destroying Muslims. The Writing on the Wall has warned us that the time is not far when the Athaab of Allah Azza Wa Jal will be imposed on us in the form of kuffaar oppression and brutality. This is currently overtaking foreign Muslims in South Africa. Their legal documents notwithstanding, they have become victims of orchestrated xenophobia plotted by the USA and Israel and employing sinister forces for the execution of their conspiracy to destabilize the country.

Muslims should understand well and remember that Rasulullah (Sallallahu alayhi wasallam) has said that if entire mankind unites to grant you any benefit, they will succeed in only that measure decreed by Allah Ta’ala. Conversely, if entire mankind unites to harm you, they will succeed in inflicting on you only that degree of harm ordained by Allah Azza Wa Jal.

Muslims are not in need of being at the stinking ‘table’ of the kuffaar - the table from which the likes of Jakhurah consume pork and wine in their bootlicking exercises.

For Muslims there is only the Shariah not the kuffaar ‘table’ for which the Jakhurah character and his ilk aspire. That is not Muslim aspiration. It is an aspiration which is an inspiration of Shaitaan.
