## **UK city of Belfast ablaze - Allah Ta'ala's punishment is knocking on the door - will miscreant treacherous UK Muslim community and its' Zakat khor Mullahs change course or will they continue down the path of destruction?**

[Homes set on fire in Belfast night of violence as MP says people targeted based on skin colour - follow live - BBC News](#)

*'Corruption has spread on land and sea as a result of what people's hands have done, so that Allah may cause them to taste 'the consequences of' some of their deeds and perhaps they might return 'to the Right Path.'* (30:41)

*'Whenever We intend to destroy a society, we command its elite 'to obey Allah' but they act rebelliously in it. So the decree 'of punishment' is justified, and We destroy it utterly.'* (17:16)

**What did the miscreant UK Muslim community expect? The assistance of Allah Ta'ala? They so treacherously:**

Closed Masajid during the Covid Scamdemic when certain Kuffar were fighting to keep their places of worship open!

Emerge from their homes in the most shameless manner!

Indulge in and have a fanatical obsession for Kuffar Sports!

Attend Unibrothels!

En-masse abandon the Masajid yet populate the venues of vice!

Engage in Interfaith Kufr all under the supervision of the bogus Zakat Khor Mullahs!  
Refuse to pay Zakaat yet squander eye-watering sums of money on entertainment!  
Usurp the wealth of others!  
Take their Mullahs as gods!

Should such a miscreant community seriously expect anything other than total annihilation?

**In the meantime, the response from illegitimate bogus Zakat khor Mullahs?**

Bury heads in the sand!  
Fleece the public for all they are worth!  
Encourage Makshoofat to emerge from their homes in these times of danger!  
Continue encouraging Muslim males and females to attend Unibrothels!  
Continue bidah extravagant Jalsahs!  
Continue on their extravagant jaunts funded by their criminal bootlickers!  
Continue promotion of Kuffar sports!  
Continue promotion of Interfaith!  
Organise Kufr solidarity events thereby increasing the wrath of Allah Ta'ala!

Not a single bogus Zakat khor Mullah will remind the Muslim community of their duty to reform and defend themselves. Why should they? It is in their interest for this vice to continue as they benefit financially from it.

Do such Mullahs believe they will escape the punishment of Allah Ta'ala when it arrives?

*'And fear a trial which will not strike those who have wronged among you exclusively, and know that Allah is severe in penalty' (8:25)*

We request duas that Allah Ta'ala have mercy on our situation and protect us. We face a scenario worse than what faced Bosnian Muslims during the 1990s.
