BEWARE OF INTERFAITH AND THE EVIL MOLVIS OF BAATIL

(This is a Bayaan by Maulana Abdul Hamid Sahib, the Principal of Darul Uloom Azaadville)

Note: The caption and all comments in brackets are those of The Majlis)

We should be very careful of whom we take our deen from and to whom we hand our matters over. *(The world abounds with dacoits and robbers who plunder Imaan and Akhlaaq).* Beware of people who are plundering our Deen! We cannot take our Deen from them. It is very necessary in these days *(as it always was)* that the Ulama should not resort to *Kitmaanul Ilm (Concealing Ilm).* They should expose those people who are plundering the Deen and leading people astray.

There is one mufti whose programs are advertised while he is also a khalifa of Shah Hakeem Akhthar. Hazrat's open *I'laan* (public announcement) is that anyone who appears on TV, his Khilafat is cancelled. So he is no longer a khalifa of Hazrat. *(Hadhrat Hakim Akhtar – Rahmatullah alayh – had issued a public statement in which he revoked the khilaafat of any scoundrel who appears on television and the likes. Although Maulana Abdul Hameed Sahib did not mention the name of this scoundrel 'khalifah', the reference is to Zubayr Bhayat of the so-called Darul Ihsaan (i.e. Darush Shaitaan). This chap appeared on the haraam porno-medium known as You-Tube. Thus, his khilaafat was automatically snatched away and dissolved.)*

Once a SA rugby player took Bay'ah with Hazrath *(he was later made a khalifah)*, but after a while he shaved his beard so the question arose as to whether his khilaafat is still in place or not. Hazrat commented that he has wiped out his khilafaat. *(Shaikhs are humans who are also prone to err. They cannot see into the hearts of mureeds. Some mureeds manage to hoodwink their sheikh with their outward 'holy' pretences. The sheikh becoming entrapped then errs and even appoints the scoundrel to be his khalifah.)*

Very important to understand, is that our niyyat must be correct in the company of the sheikh. We can spend years and years but if our niyyat is not sincere and correct, there will be no benefit and if we do not have the *mizaaj* (disposition) of the sheikh, then there is no khilaafat.

In the time of Nabi sallallahu alayhi wasallam) a famous Munafiq professed love for Nabi sallallahu alayhi wasallam and for Islam. But when he left the Majlis of Nabi (Sallallahu alayhi wasallam), he caused harm to the Muslims, so Allah exposed him. So if the person doesn't have the *mizaaj* of the Sheik and he has his own ideas then he is not a mureed. *(He will stray into evil and be exposed.)*

We must be on the path of Ahl Sunnah wal Jama'ah. Nobody is perfect, but we must carry on and Allah will take us along. But if we are on the opposite side *(the side of kufr – the side of satanic interfaith on which we find bogus UUCSA, the NNB jamiat and the MJC, etc.)* and want to destroy the Deen of Nabi sallallahu alayhi wasallam? *(Then beware, your necks shall be broken by the Athaab of Allah Ta'ala. You will be exposed and disgraced by even your kuffaar masters whose boots you are licking night and day for the carrion crumbs of the dunya.)*

Moulana Mehtar said this morning: Islam is one deen and started from Nabi Ibrahim alayhis salaam. So these people who promote interfaith are deviated. On the Motsepe foundation we see that JUSA and MJC are part of the Abrahimic accord. *(This satanic Accord was formed by the U.S.A. to eliminate Islam).* Be on the side of our Khulafah Rashideen *(i.e. the Path of the Sunnah).* Do not mislead the people! Be very careful about our Imaan and Islaam and see whom we associate with so that we do not become accomplices to this evil *(of interfaith).*

Today some catch words are 'peace and harmony'. *(Stupid words to beguile Muslims and to trap them into renouncing Islam by the adoption of the kufr ideas of the satanic kufr interfaith movement of which the NNB jamiat, bogus UUCSA and the Carrion Halaalizing MJC are members).* The Americans can bomb us and we shouldn't say a word *(because these interfaith munaafiqeen are all American and kuffaar bootlickers).* The person says the wrong things and says we must have unity. There is no peace and unity in falsehood. Allah says have unity on the right not on baatil. *(Unity of Muslims is possible only on the basis of Hablullaah – the Rope of Allah, i.e. the Shariah with its Masnoon Culture).*

Quran is Al Furqaan *(i.e. The Splitter and Divider. It splits and distinguishes between Haqq and Baatil).* The Quran distinguishes between Haqq and baatil. Many mislead the people. They say our buzrugs had their differences but respected one another! Which buzrug of ours honoured the Barelwis or Maududis or the people doing wrong *(the people of baatil and kufr)*? Maulana Palanpuri in his famous bayaan said: *"To be famous is something and to be accepted by Allah is something else."*

A Muqtada – a person in a leadership position *(should understand):* Your *amal* is what people see and think to be correct. Deen is clear cut. Nobody can get destroyed following the straight path. May Allah accept and guide us.
