TURKEY

THE EARTHQUAKE ATHAAB AND WRATH OF ALLAH

There is absolutely no conundrum underlying the Earthquake Punishment of Allah Ta'ala on the vile population of that unfortunate land. Allah Azza Wa Jal is the Creator of the people. He is the Creator of the Earthquake and He does with His makhlooq as He wills. Whatever Allah Ta'ala does with His creation is the effect of His Wisdom and Justice.

That the Earthquake and the consequential miseries are His Punishment, the following reward testifies for this fact:

"Safe zone for women and LGBT+ here," proclaim posters in Turkish and Arabic.

The Arabic is a nod to the millions of refugees and migrants who have been living across stretches of southern Turkey since the start of the civil war in neighbouring Syria 12 years ago.

"We have a security system for both women and LGBT+, who are more vulnerable in such disasters," said Aslihan Keles, 23, one of the volunteers in the park.

Turkish women often join marches on March 8 -- the official International Women's Day -- demanding better lives and protection against domestic violence.

But this year, things are different in the quake zone, Keles said. "Here, there is an emergency," she said. "This time, we are in field -- but for a very good cause."

(End of Report)

The evil and filth – fisq, fujoor and kufr – of the people have transgressed the bounds of no return, hence this Greater Punishment, mentioned in the Qur’aan Majeed:

“Most assuredly, We shall give them (first) to taste of the lesser punishment, not the greater punishment for perhaps (their brains and eyes will open) and they may return (to Rectitude).”
