THE ‘FEMALE TARAWEEH PROGRAM’ IN GELVAN PARK-AN INSPIRATION AND TRAP OF SHAITAAN

Question

There is a certain hifz class for girls in Port Elizabeth inviting girls to perform Taraaweesh together. A lady is the imam. Then a shaykah will give them naseehah. Is this permissible?

Answer

The entire act from beginning to end is a shaitaani, haraam circus. Shaitaan has convoluted the brains of these lewd females who leave the holy precincts of their homes to perform Taraaweesh in jamaat. They are **EVIL** and **IMMORAL** because Rasulullah (Sallallahu alayhi wasallam) said that “the best Musjid for a woman is the innermost recess of her home.” They are vile because they act in flagrant conflict and defiance of the advice of Rasulullah (Sallallahu alayhi wasallam), and the command of the Shariah.

The so-called ‘shaykhah’ is a veritable she-devil. Only shameless women with lesbian tendencies are so audacious to violate the Hayaa of the girls by inviting them, in fact luring them out of their homes under ‘deeni’ pretext.

On the occasion of the expulsion of Iblees from the Heavens, he had supplicated to Allah Ta’ala for ‘tools’ with which he would be able to

ensnare people into his plots and traps. Allah Ta'ala, granting the supplication of Iblees, said that "women" will be his traps. Thus this evil, immoral so-called 'shaykhah' and the stupid woman 'imaam' are traps of Iblees. Iblees uses such lesbian-type women to ensnare and mislead your stupid girls. They use the Deen to further the plot of Iblees.

It is haraam for females to participate in the mock 'taraaweesh' which Shaitaan has inspired into the vermiculated brains of these moron and immoral female 'imaam' and jaahilah 'shaykhah'.

Ramadhān is a glorious Month of exceptional auspiciousness. Ibaadat should be executed in the manner of the Sunnah for gaining maximum thawaab. Women should perform Taraaweesh in their homes alone, not in jamaat.

The immoral woman has the shaitaani temerity of even publishing the pictures of the lesbians performing their mock 'taraaweesh'. These shameless women come within the purview of the Qur'aanic Aayat:

"Say: 'Should we inform you of those who are the worst (and greatest) losers regarding deeds? They are those whose efforts (good deeds) are destroyed in this worldly life whilst they think that they are doing goodness.'"
(Al-Kahaf, 103, 104)

While these verses were initially revealed for the kuffaar, the context is applicable to all such weird Muslims who act in defiance of the teachings of the Shariah whether in text or in spirit.

The so-called 'taraaweesh' of these shameless females is 'destroyed'. It is without thawaab. On the contrary there is punishment for these misguided women who act in flagrant contravention of the Shariah by leaving their homes, especially during the night time, to make merry at their mock 'taraaweesh' party.
