THE 10% FROM HARAAM FUNDS FOR TURKEY-SYRIA IS HARAAM

Please see the following advert:

"Smokers loft which sells vapes and hookah products (sheesha lounge) will donate 10% of whatever is purchased or smoked (vapes etc.) to CII to donate to Turkey and Syria."

Please comment on this type of donation. Also, does CII not condone smoking which harms the healthy body Allah SWT has given us by accepting such donations?

Diseases vaping causes include:
Asthma - Vaping can make you more likely to get asthma and other lung conditions.
Lung scarring
Organ damage.
EVALI (e-cigarette, or vaping, product use associated lung injury)
Addiction
Cigarette smoking
Second-hand exposure

What message is CII sending with this arrangement which they have with a sheeshalounge. Allah said (interpretation or meaning):
"Do not kill yourself. Allah is Merciful unto you." (Surat al-Nisaa' 4:29)

In addition, His Prophet (peace and blessings be upon him) said:

"There is no harm or causing of harm (in Islaam)." (Arabic "laa darar walaa diraar")

These days we see Islamic organisations claiming to do good but when you trace the source of their good, you find that there is some wickedness, evil and corruption to it. When you mix good and bad you go mad.... there's that saying.

Insha'Allah the Mujlisul Ulama can comment further on whether this 10% is Halal to send to Turkey and Syria."

(End of query)

Water mixed with urine is filthy and Haraam. Allah Ta'ala does not accept 'charity' with haraam funds. Smoking, hookah and vapes are haraam. The money derived from the sale of haraam is haraam. Charity with haraam is haraam. It is not acceptable to Allah Ta'ala. Accepting the haraam money from the haraam vendors of the haraam products is to legitimize their haraam business. This project is a haraam stunt to boost the haraam sales of the haraam vendors. It is haraam from A to Z.

Everything related to this haraam project is haraam.
