AL JAHANNAMI'S KUFR NIKAH BILL
SHEMOZZLE

**GANIEF HENDRICK'S FUTILE
BID CLUTCHING AT STUPID
STRAWS**

In a desperate bid to gain a semblance of credibility for his mammoth gaff of having claimed that Shariah Law is recognized by the government, and that the consequences of the haraam secular marriages of Muslims will have Shariah consequences recognized by the government, Mr. Ganief is now circulating a laughable, silly legal opinion acquired from some advocate.

The 'legal opinion' only serves the purpose of further exposing the haraam shenanigans of this Jahannami party. Nothing – absolutely nothing – stated in the kuffaar 'legal' opinion supports the utterly baseless and baatil claims made by Mr. Hendricks.

Since Mr. Ganief had undertaken the audacity to blatantly claim the *baatil* of Shariah recognition by the government, he must now present to the Muslim community his concept of the 'shariah'. He must define the Qur'aanic concept of Shariah law. He is under obligation to explain in detail with specific examples just how has the government recognized Shariah Law.

Harping on the rulings of the constitutional court in no way whatsoever substantiate the absolute drivel which he has twaddled ludicrously. The rulings of the court themselves are in conflict with the Shariah. Government being bound by the rulings of the constitutional court on any issue affecting Muslims does not elevate such kufr rulings to Shariah status. The rulings are not in compliance with the Shariah.

The entire opinion proffered by the advocate at the desperate behest of Ganief is in terms of the Shariah bunkum. No Muslim can ever accord credibility to the opinion which is entirely based on kufr law which Hendricks accepts, and on which basis Ganief has lost his Imaan.

In the opinion, Ganief's advocate states:

"Having considered the applicable legal doctrines and sources of law, and the content of the three judgments that have to date been handed down by our courts, it is submitted that a branch of the "SA government (sic)" has "accept[ed] [Shari'ah] Law" to the extent set out in the Constitutional Court's judgment, as cited in paragraph 2 above."

Neither Hendricks nor his advocate is qualified to tell us what is 'Shariah Law'. This aforementioned disgorgement by the advocate is laughably dismissed with contempt. We advise the advocate to abstain from treading into a domain for which he lacks Shariah qualifications.

The opinion in terms of the Shariah is pure bunkum. It has absolutely no validity in the Shariah. Therefore Ganief Hendricks must withdraw and scrap his haraam kufr nikah bill.

IT IS HARAAM TO SUPPORT THE KNB OF HENDRICKS. IT IS HARAAM TO VOTE FOR HIS PARTY.
