Part Six
THE KNB (KUFR NIKAH BILL)

**THE ‘TOOLKIT’ OF JAHANNAM-
HENDRICKS DEBUNKS THE
QUR’AAN**

***OPEN YOUR EARS AND BRAINS, AND UNDERSTAND THAT
ISLAM IS A PATRIARCHAL SYSTEM. DENIAL OF THIS
QUR’ANIC SYSTEM RENDERS YOU A MURTAD FOR
EVERLASTING PERDITION IN HELL-FIRE! IT IS DAMNATION IN
JAHANNAM!
YOU HAVE DEBUNKED THE QUR’AAN!***

The *Al Jahannam* political party has prepared what it has dubbed a ‘*toolkit*’ which is in terms of the Shariah a concoction of KUFR. Regarding this Kufr Concoction, *Al Jahannam* states in an atrociously worded ‘press-release’:

“With regard to the amendments to the Marriage Act of...
AL JAMA—AH took the position to popularize the Concourt
judgment and prepare the Muslim community for a One,
Statute Marriage Act by publishing a toolkit which includes
an interim bill for Registration of a Nikah...
The toolkit debunks the narrative that Islam is a patriarchal
religion, and asks Muslim wives to tolerate emotional and
physical abuse and accept gender based violence.”

Lest the Core Issue of this discussion and refutation slips the minds of readers, it will be appropriate to reiterate the Reminder that the ISSUE is the following two flagitious fallacy with which Hendricks attempts to hoodwink the Muslim community:

(1) "The Shariah is now part of South African Law."

(2) ".....the consequences of such a Marriage are also in terms of the shariah."

Needless to say, whatever this fellow has hitherto proffered as a response is totally unrelated to the Core Issue. His reckless meanderings in unconnected issues only serves to prove the falsehood of the two above claims. We now proceed to neutralize and demolish the other kufr garbage he has disgorged.

This belief of Hendricks and his Al Jahannam party, namely, his denial of the Qur'aanic concept and tenet of Islam being a Patriarchal Society, confirms that they are among the *Hasabu Jahannam* - Jahannam for which Allah Azza Wa Jal has created innumerable humans and jinn as the Qur'aan Majeed states:

"Without doubt, We have created numerous men and jinn (specifically) for Jahannam). They have such hearts which preclude them of understanding; such eyes which preclude them from seeing, and such ears which preclude them from hearing. Indeed they are like animals, in fact, worse (than animals). They are the oblivious ones." (Al-A'raaf, Aayat 179)

They are satanically oblivious of their destined fate and abode which is Jahannam for which the Jahannamis have been specifically created. After all, Jahannam requires fuel for its survival. Since its best fuel is humans and jinn, Allah Ta'ala has created millions of such persons and jinn for being *Hasabu Jahannam*.

These politicians masquerading as 'Muslims' are in terms of the Qur'aan "*worse than animals*". They are spiritually deaf, dumb and blind.

Any person who professes to be a Muslim, but rejects the irrefutable Qur'aanic Fact that Islam is a Patriarchal Deen loses his Imaan. He becomes **Murtad** and is destined for everlasting perdition in Jahannam. The aforementioned statement of the Jahannami is blasphemous and tantamount to debunking the Qur'aan Majeed which elaborately, explicitly and emphatically states the Divine Patriarchal system of Islam. Thus the Qur'aan Majeed states:

"And, He (Allah) casts rijs (filth) on those who lack brains."
(Qur'aan: Surah Yunus, aayat 100)

This aayat applies to the opponents of Islam's System of Patriarchy.

"Men are the rulers over women by virtue of the excellence (right / dominance / superiority) which Allah has bestowed to some over others and by virtue of that which they spend from their wealth (for the maintenance of women). Therefore, the pious women are obedient (to their husbands) (and) they guard in the absence (of their husbands) what Allah has guarded (i.e. what Allah has ordered them to guard and protect, viz., their chastity and their husband's wealth)."

(Qur'aan – An-Nisaa', aayat 34)

*“And for men over them (women) is a rank.”
(Qur'aan – Baqarah, aayat 228)*

Rasulullah (sallallahu alayhi wasallam) said:

“If I had to order anyone to make sajdah for a person, I would have instructed the wife to prostrate to her husband.”

“It is not permissible for a woman to keep (nafl) fasts while her husband is present except with his permission.”

“Be kind to women, for verily they have been created from a rib. The most crooked rib is the uppermost one.”

“I have not seen anyone greater in intellectual deficiency than you women.”

“Verily women are your prisoners.”

The booklet, [The Patriarchal Ideology of Islam](#) explains in detail the Patriarchal ideology of Islam. This booklet is available in pdf form as well as in hardcopy form. Most certainly, Rasulullah (Sallallahu alayhi wasallam) instructed wives to bear the tyranny of their husbands with Sabr. But this advice is for Muslim women, not for lesbians and westernized half-woman-half-man hybrid human specimens. The advice of Rasulullah (Sallallahu alayhi wasallam) is for Women in whose hearts Imaan is embedded. Such women understand that they gain the status of the Shaheed with their Sabr and Toleration. Such women of Islam do not accept Al Jahannam types of women as their role models.

The Women of Islam follow the glorious likes of Hadhrat Aishah, Hadhrat Faatimah and the innumerable other Ladies of Islam who have taught the Women of this Ummah the holy lesson of Sabr. With their example, they wholeheartedly accepted the Patriarchal nature of this Deen of Islam handed to the Ummah by Muhammad (Sallallahu alayhi wasallam). The Women of Islam know that the Sabr they have to adopt when their husbands are unjust and oppressive gains for them the ranks of *Shahaadat* (Martyrdom) just as men gain *Shahaadat* in the Battlefields of Jihad.

Just as men gain *Shahaadat* with their Sabr and suffering in the Battlefield of Jihad, so too are the Women of Islam blessed with *Shahaadat* in the Battlefield of the Home which is their sanctuary and the abode of piety. The Women of Islam are not like the *murtaddahs* and lesbians who rush to the kuffaar court at the instigation of the likes of *Al Jahannam* to usurp the wealth of their ex-husbands in ways which are haraam.

The Women of Islam know that Rasulullah (Sallallahu alayhi wasallam) said:

“O Woman! Look (and understand) that verily he (your husband) is either your Jannat or your Fire (Jahannam).”

“If the husband orders her to transport stones from a yellow mountain to a black mountain (i.e. from mountain to mountain), it will be proper for her to do it (to obey).”

Thus the Women of Islam understand and accept that the way for them is to adopt Sabr when their husbands are oppressive. They know that they may not run to the kuffaar court to petition for satanic ‘relief’ in terms of the law of Taaghoot which Mr.Hendricks seeks to pass off as what he stupidly describes, ‘shariah law’.

Even in some acts of ibaadat (worship), the wife requires the permission of her husband. Rasulullah (Sallallahu alayhi wasallam) said:

“It is not permissible for a woman to fast (Nafl) while her husband is present except with his consent.”

Those who are interested in more detail pertaining to the subservience of the wife to her husband and the imperative need for her to adopt Sabr, should read our book, [The Pious Wife](#) which is available in pdf form and also hardcopies.

Only those who wallow in kufr and nifaaq are able to deny the Divine Patriarchal Society of Islam so explicitly, elaborately and emphatically elucidated in the Qur’aan and Sunnah.

Women of true Imaan know, understand and wholeheartedly accept that Allah Ta’ala has placed men as guardians over them, and that the status of men is higher than the status of women. That is why, the share of inheritance of the woman is half that of her brother’s share; that is why the son’s share is twice the share of the daughter; that is why the testimony of two women equals to the testimony of one man; that is why the *Diyat* of a woman is half the *Diyat* of a man; that is why a woman requires a mahram male to be her guardian on a journey; that is why a woman incumbently needs the consent of her Wali (father, brother, uncle, etc.) for marriage; that is why Allah Ta’ala created woman from the rib of a man; that is why the power to issue Talaaq is vested in only the man; that is why a woman cannot be the imam leading men in Salaat; that is why the Qur’aan permits the husband to lightly beat his wife when such a need develops; that is why two sheep are sacrificed for a male baby and one for a female baby on the occasion of Aqeeqah; that is why a woman’s testimony is not accepted in cases of *Hudood* regardless of her piety and integrity; that is why she has to consult with her husband when she desires to spend even her own wealth; etc., etc.

Diyat (mentioned above), is a monetary penalty/compensation which has to be paid by the person who has injured or rendered ineffective a limb of a human being, or has amputated it. The *Diyat* amount for a woman is exactly half the amount which has to be paid for a man’s limb. This alone should suffice for men of intelligence to understand that Islam is a Divine Patriarchal Society, denial of which is kufr which excommunicates all such deniers from the pale of Islam.

The Murtad Zanaadqah, of which there is a glut all over the world, will be ignominiously discarded by the wayside as decomposing *jeefah* (carrion) in the wake of the *La'nat and Athaab* of Allah Azza Wa Jal. They are not only tampering with the Shariah. Their pernicious plot is to extinguish Islam. But Allah Ta'ala says about these Jahannami insoforia:

"They intend to extinguish the NOOR (Shariah) of Allah with their mouths while Allah intends to complete (and perfect) His Noor even though the Kaafiroon (the Jahannamis) abhor it."

The Lost Soul says:

"With regard to the amendments to the Marriage Act of ... AL JAMA-AH took the position to popularize the Concourt judgment and prepare the Muslim community for a One, Statute Marriage Act..."

The Muslim community is not in need of his stupid 'preparation' with his 'toolkit' of Jahannam. Imaam Ghazaali (Rahmatullah alayh) commented that if there has to be business (trade/commerce) in Jahannam, it would be the business of banks and financial institutions. These are vile blood-sucking, parasitic institutions which cause massive destruction to the nations of the world, hence they aptly qualify for Jahannam.

To this comment of profound sagacity of Imaam Ghazaali, we can add that in our current context, if there has to be politics in Jahannam, it would in particular be the politics of the *Al Jahannam Party*. In fact, this party is destined for Jahannam. It has secured its abode in Jahannam because its leader, Mr. Ganief Hendricks has **debunked** the Qur'aan. Anyone who denies just one tenet of the Qur'aan is guilty of **debunking** the Qur'aan, and the *Athaab* for **debunking** the Qur'aan of Allah Azza Wa Jal, is everlasting damnation, rotting, rotting and rotting in Jahannam without death ever claiming the villain for terminating his well-deserved chastisement.

Just imagine! This character says that he is a 'Muslim', yet he **debunks** the Qur'aan by most criminally denying the Divine Patriarchal system of society decreed by Allah Ta'ala and substantiated by the Qur'aan Majeed in numerous Aayaat. For shaitaani rascals who pick and choose from the Qur'aan Majeed to suit their pernicious worldly objectives, the Qur'aan says:

***"What! Do you believe in a portion of the Kitaab and commit KUFR (i.e. you deny) with a portion?
The punishment for one who does so is nothing but Disgrace in this world and on the Day of Qiyaamah such persons (rascals/villains) will be assigned to the severest Athaab. And, Allah is not oblivious of what you (rascals and murtaddeen) are perpetrating."
(Al-Baqarah, Aayat 85)***

For Ganief and his ilk, the Qur'aan Majeed has this warning:

"...And those who say: 'We believe in some and disbelieve in some', and they fabricate a path between this, these people are in reality KAAFIROON. And, We have prepared for the kaafireen a disgraceful punishment."

(An-Nisaa', 150, 151)

It was the standing practice of the Yahood to accept some Ambiya and to reject others. In our times, this evil practice of the Yahood has been inherited by the Zanaadaqah. They select verses from the Qur'aan which they misinterpret to provide ostensible support for their kufr, and they outrightly deny, decry and reject those verses which explicitly and emphatically denounce and reject their ideas and narratives of kufr such as the *Jahannami 'toolkit'* of Al Jahannam Party.

Stating his abhorrent compounded KUFR, the chap says:

"The toolkit debunks the narrative that Islam is a patriarchal religion, and asks Muslim wives to tolerate emotional and physical abuse and accept gender based violence."

His **debunking** of the Qur'aan is the clearest and most emphatic evidence for his kufr and *irtidaad*. This man is not a Muslim. His claims of being a 'Muslim' reek of *Nifaaq*. And regarding the Munaafieen, the Qur'aan Majeed says:

"They sway between (two opposites). They are neithertowards these nor towards those. And whomever Allah misleads, never will you find for him a helper (to guide him)."

(An-Nisaa', Aayat 143)

"Verily, the Munaafiqeen will be in the lowest depth of the Fire.

Never will you find for them a helper."

(An-Nisaa', Aayat 145)

This Lost Soul who has destroyed his dunya and Aakhirat with his kufr for the *jeefah* goals of this dunya, further denies that Islam imposes the Virtue of Sabr on its female adherents, yet Rasulullah (Sallallahu alayhi wasallam) said:

"If the husband orders her to transport stones from a yellow mountain to a black mountain (i.e. from mountain to mountain), it will be proper for her to do it (to obey)."

The Seal of Jahannam has been placed on this Al Jahannam Party.

TO BE CONTINUED, INSHA-ALLAH, IN PART SEVEN.

WHILE VOTING IN GENERAL IS HARAAM, IT HAS GREATER EMPHASIS GERMANE TO THE AL JAHANNAM PARTY. YOU WILL JETTISON YOUR IMAAN BY VOTING FOR A PARTY WHOSE PRIMARY OBJECTIVE IS THE PROMOTION OF KUFR.
